This mix is toxic to fish and other aquatic animals. Do not contaminate any body of water with equipment cleaning solutions, spillage or wastage.

Do not re-use drum. Dispose of drum through commercial reconditioning service or by perforation or crushing and burying in a safe place.

Mix well in drum before sampling and each use. Do not store, pour or spill near open flame. Keep container tightly closed.

Under certain conditions, Sevin tends to precipitate from solution. Sudden or extreme chilling, or a sudden surge of pressure (as in under-ream filling), can result in crystal formation with this product.
