Ms. Julie Schlekau
Mclaughlin Gormley King Company
8810 Tenth Avenue North
Minneapolis MN 55427-4372

MAR 22 2000

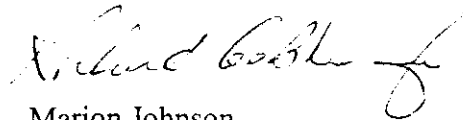

Subject: Amendment to address changes in formulation uses.
Product Name: ESBIOL® 90% Concentrate
EPA Registration Number 1021-1242
Submission Dated February 4, 2000

Dear Ms. Schlekau,

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

- The statements "Keep Out of Reach of Children" and "Warning." must be presented on the front display panel, but outside of the box enclosing the "First Aid" title and statements. Since this is a Manufacturing Use Product (MUP), formulators may misinterpret the information as requirements for enclosure within the First Aid box as a necessary part of the "First Aid" statement. The affected language statements are exclusive FIFRA requirements, independent of any First Aid statements, and positioning is mandated by 40 CFR, and the Label Review Manual. If you have any questions, please contact Richard J. Gebken @ (703) 305-6701.

Sincerely,

Marion Johnson

WARNING

FIRST AID

- IF SWALLOWED: Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol.
- IF ON SKIN: Wash with plenty of soap and water. Get medical attention.
- IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.
- IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

May be fatal if swallowed or absorbed through the skin. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Do not get in eyes, on skin, or on clothing. Wear protective clothing and rubber gloves. Remove contaminated clothing and wash clothing before reuse. Harmful if inhaled. Avoid breathing (vapor or spray mist).

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or
