KEEP OUT OF REACH OF CHILDREN
CAUTION
 STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Do not induce vomiting because of aspiration hazard. Get medical attention immediately.

IF ON SKIN: In case of contact, remove contaminated clothing and immediately wash skin with soap and warm water.

IF IN EYES: Flush eyes with plenty of water. Call a physician.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Harmful if swallowed or inhaled. Avoid breathing vapors and spray mist. May be absorbed through skin. Do not get in eyes or on skin as contact may be injurious. Flush contaminated skin and eyes with plenty of water and get prompt medical attention. Do not take internally. Contains petroleum distillate. Aspiration hazard may exist with this product. Wash thoroughly after handling. Wash contaminated clothing before reuse.

NOTE TO PHYSICIAN: Carbaryl is a cholinesterase inhibitor. Treat symptomatically. Atropine, by injection, is antidote of choice.

Environmental Hazards

This product is toxic to fish, other aquatic animals and birds. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

Physical or Chemical Hazards

Do not use or store near heat or open flame.

INSTRUCTIONS FOR FORMULATING

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

CAUTION: Under certain conditions, Carbaryl tends to precipitate from solution. Sudden or extreme chilling, or a sudden surge of pressure (as in under-cap filling), can result in crystal formation with this product.

This Spray Mix and products made from it should not be filtered through less than a 200 mesh filter.

PYROCID[®] Pressurized Pet Spray Mix 7152 is designed for use at 20.00% (wt.) with
