DIRECTIONS
 AN INSECTICIDE/REPELLENT FOR FORMULATING USE

For a repellent product, use 25% by weight of MCK INTERMEDIATE 2020 in solvents and/or propellant. End product formulators will be responsible for supplying the necessary efficacy data.

CAUTION

Harmful if swallowed. Avoid contact with eyes and lips. Avoid contamination of food and feedstuffs.

This Intermediate is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Keep out of lakes, streams or ponds.

Do not re-use drum. Dispose of drum through commercial reconditioning service or by perforation or crushing and burying in a safe place.

Agitate thoroughly in drum before sampling and each use. Keep container closed. Store in a cool place. Do not pour, store or spill near fire or flame.

DIRECTIONS
 FOR FORMULATION OF INSECTICIDES ONLY

This Intermediate is to be used at 2.0% (wt.) with approved solvents and propellents in the preparation of an insecticidal pressurized spray for use in food processing establishments, restaurants, warehouses and homes. The user of this product is responsible for supplying the necessary efficacy data. Wt. per gal. ca. 8.06 lbs. Other typical specifications are available upon request.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Do not inhale vapors. Do not remain in treated area. Ventilate the area after treatment is complete. When used in food processing plants, cover or remove food and feedstuffs during spraying. In food processing plants, do not spray while processing is underway. After spraying in food processing plants, etc. wash with potable water all equipment, benches, shelving and surfaces where exposed food will be handled.

Remove pets, birds and cover fish aquariums before spraying.

This is toxic to fish and other aquatic animals. Do not contaminate any body of water with equipment cleaning solutions, spillage or wastage.

Do not re-use drum. Dispose of drum through commercial reconditioning service or by perforation or crushing and burying in a safe place.

Mix well in drum before sampling and each use. Keep container closed. Store in a cool place. Do not store, pour or spill near heat or open flame.
