Environmental Hazards

This product is toxic to fish and other aquatic animals. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

Physical or Chemical Hazards

Do not use or store near open flame.

BEST DOCUMENT AVAILABLE

Residue Disposal: Pesticide or rinsate that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Container Disposal:

- a) Containers of 30 gallons or more - reseal container and offer for reconditioning, or:
- b) All containers - triple rinse (or equivalent) and offer for recycling, reconditioning or disposal in approved landfill, or bury in a safe place.

General: Consult Federal, State or local disposal authorities for approved alternative procedures.

INSTRUCTIONS FOR FORMULATING

Sumithrin, 90% Concentrate is to be used with appropriate solvents, carriers, propellents, etc. in the manufacture of insecticide sprays.

45

A technical bulletin is available. Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.

Mix well in drum before sampling and each use.
