10/22

or disposal of wastes

Physical or Chemical Hazards

Do not use or store near open flame.

INSTRUCTIONS FOR FORMULATING

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Keep container closed.

Pesticide Disposal: Pesticide or rinovate that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Container Disposal:

- a) Containers of 5 gallons or more: reuse container and offer for recycling.
- b) All containers - rinse (or equivalent) and offer for recycling, reconditioning or disposal in approved landfill, or bury in a safe place.

General: Consult Federal, State or local disposal authorities for approved alternative procedures.

Mixtures with acetone, benzene, toluene, xylene, and other flammable solvents, or with other flammable liquids, should be used with caution.

For labels on this product, may be responsible for providing data to support their own registration with the appropriate regulatory agencies.

Read label and directions carefully before mixing and each use.
