MAR 22 2000

Subject: Amendment to address changes in formulation uses.
Product Name: ESBITHRIN® 90% Concentrate
EPA Registration Number 1021-1470
Submission Dated February 4, 2000

Dear Ms. Schlekau,

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

1. The statements "Keep Out of Reach of Children" and "Warning." must be presented on the front display panel, but outside of the box enclosing the "First Aid" title and statements. Since this is a Manufacturing Use Product (MUP), formulators may misinterpret the information as requirements for enclosure within the First Aid box as a necessary part of the "First Aid" statement. The affected language statements are exclusive FIFRA requirements, independent of any First Aid statements, and positioning is mandated by 40 CFR, and the Label Review Manual. If you have any questions, please contact Richard J. Gebken @ (703) 305-6701.

Sincerely,

Marion Johnson
Product Manager 10
Insecticide Branch
Registration Division (7505C)

ESBIOTHRIN® - Registered trademark of Roussel-Uclaf; Paris, France

KEEP OUT OF REACH OF CHILDREN

WARNING**FIRST AID**

IF SWALLOWED: Call a physician or Poison Control Center immediately.
 IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.
 IF ON SKIN OR CLOTHING: Remove contaminated clothing and wash before reuse. Wash skin with soap and warm water. Get medical attention if irritation persists.
 IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR FORMULATION OF INSECTICIDES ONLY. The formulator using this product is fully responsible for obtaining EPA registration of his formulated products.

Only for Formulation into an Insecticide for: Domestic Indoor (household), Domestic Outdoor (perimeter/ornamental), Commercial/Industrial/Institutional Uses (Indoor/outdoor non-food/feed), Greenhouse Ornamentals, Treatments of Animals not intended for Food (dogs, cats, horses).

Mix well in drum before sampling and each use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a cool, dry place. Keep container closed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling or reconditioning, or dispose of in a sanitary landfill or by other procedures approved by State and Local authorities.
