ACCEPTED

EPA Est. No. 1021-MN-2

JUN 10 2014

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 1021-1545

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Harmful if absorbed through skin.

ENVIRONMENTAL HAZARDS:
This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.
Do not contaminate water when disposing of equipment wash-waters.

PHYSICAL OR CHEMICAL HAZARDS
Combustible. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Only for formulation into an insecticide for the following uses: Companion Animals, General Indoor Insect Control, Residential Outdoor restricted to building surfaces and Spot treatments on structures and Human Articles and Materials.

All liquid and ready-to-use products labeled for use on indoor surfaces (broadcast, baseboard, spot, and crack-and-crevice) at residential sites must be formulated to contain no more than 0.5% of permethrin active ingredient.

Total release foggers labeled for indoor use at residential sites must be formulated to contain no more than 0.58% permethrin active ingredient.

Not for formulation into wettable powder end-use products (EUP), unless the EUP is packaged in water soluble bags.

Not for formulation into granular End-Use Products.

Not for formulation into an end use product for use in outdoor residential misting systems.

This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Not for formulation into an end use product with directions for use permitting use in power clusters.

Not for formulation into a dust end use product for use on pets.

Not for formulation into products with directions for use in mosquito abatement applications

Not for formulation into handheld foggers.

Do not exceed an application rate equivalent to 1.25 grams of a.i. per square meter of fabric. Warm to room temperature. Mix well in drum before sampling and each use.
