

PYROCIDE® Mosquito Adulticiding Concentrate for ULV Fogging 7395

ACCEPTED

23 SEP 1992

8810 Tenth Avenue N. / Minneapolis, Minnesota 55427-4372 U.S.A.

Under the Federal laceaticide, Francisia, and Reductibile Act as amended, for the perticide Mrs. Hag. No. /02/-1870

TELEPHONE (612) 544-0341

Recommended for use by Commercial or Governmental Mosquito Control Personnel

ACTIVE INGREDIENTS:

12.00% Pyrethring...... *Piperonyl butoxide, Technical...... 60.00% **INERT INGREDIENTS..... 28.00% 100.00%

Equivalent to 48.00 % (butylcarbityl) (6-propylpiperonyl) ether and 12.00 % related compounds.

**Contains petroleum distillate

PYROCIDE® - Registered trademark of McLaughlin Gormley King Co.

KEEP OUT OF REACH OF CHILDREN CAUTION

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED:

Call a physician or Poison Control Center immediately. Do not induce vomiting because of

aspiration pneumonia hazard.

1F ON SKIN OR CLOTHING: In case of contact, remove contaminated clothing and wash skin with soap and warm water. Get

medical attention.

IF IN EYES:

Flush with plenty of water. Get medical attention if irritation persists. Remove victim to fresh air if effects occur, and call a physician.

IF INHALED:

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Contains petroleum distillate. Do not induce vomiting because of aspiration pneumonia hazard. Avoid breathing vapors or spray mist. Harmful if absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash with soap and warm water after use. Obtain medical attention if irritation persists. This pesticide may cause skin sensitization reactions in certain individuals. Avoid contamination of feed and foodstuffs.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its tabeling.

This concentrate is formulated to be diluted with a suitable oil diluent, such as (but not restricted to) light mineral oil, deodorized kerosene or petroleum distillate, for use in cold fog aerosol generators.

This concentrate may be diluted or used as supplied for mosquito control programs involving residential, industrial, recreational and agricultural areas, swamps, marshes, overgrown wastes areas, roadsides and pastures where adult mosquitoes occur.

Use in agricultural areas should be in such a manner as to avoid residues in excess of established tolerances for pyrethrins and piperonyl butoxide on crops or commodities. Best results are expected from application when the meteorological conditions favor an inversion of air temperatures in the area treated, and when the wind is not excessive. Reneated applications may be made as necessary to obtain the desired reduction in

adult mosquitoes.

This pesticide may be applied with equipment designed and operated to produce a suitable ultra low (ULV) spray application, which meets the dosage per acre objective of not more than .0025 pounds of pyrethrins and .0125 pounds of piperonyl butoxide per acre. For control of AEDES TABIRORHYNCHUS in Florida, it may be necessary to use a dose of up to .008 pounds of pyrethrins per acre. Back pack application may require a greater rate of dilution than the dilution used for vehicle or aircraft mounted sprayers, in order to achieve the desired rate of application of active ingredients per acre.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Keep container closed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.

Do not contaminate water, food, or feed by storage or disposal.
