Subject: Amendment - Add Language Used on Source Product Label
Evercide Intermediate 2491
EPA Registration No. 1021-1575
Your submission dated July 2, 1999

Dear: Ms. Schlekau:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable subject to the comments listed below. Stamped copies of the labeling is enclosed for your records.

1. Please change the statement "Causes eye irritation" to read "Causes moderate eye irritation." Delete the statement "'Do not get in eyes" and revise the following statement to read "Avoid contact with skin, eyes, and clothing."
2. Please revise the second statement under your "IF SWALLOWED" section of the Statement of Practical Treatment section to read: Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol".
3. Under your "Physical and Chemical Hazards" section, add the word "Combustible" in front of the "Do not use or store..." statement.

If you have any questions, please call Dr. William Sproat of my team at 703-308-8587.

Sincerely,

CAUTION

STATEMENT OF PRACTICAL TREATMENT

1021-1575

IF SWALLOWED: Call a physician or Poison Control Center. Do not induce vomiting. Vomiting may cause aspiration pneumonia due to presence of petroleum solvent. Do not give anything by mouth to an unconscious person.

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

IF ON SKIN OR CLOTHING: Wash with plenty of soap and water. Get medical attention if irritation persists.

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably by mouth. Get medical attention.

For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed, absorbed through skin, or inhaled. Contains petroleum distillate. Do not breathe vapors or spray mist. Causes eye irritation. Do not get in eyes. Avoid contact with skin and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Avoid contamination of food and feedstuffs.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product may not be used to formulate products for the following uses: 1) food producing livestock - direct applications to meat and dairy animals, treatment of occupied premises or when animal food or feed is present, 2) growing crops - edible crops and pre- and postharvest sprays, 3) fumigated commodities and 4) aquatic uses.

This product is to be used with appropriate solvents, carriers, and for pressurized products, propellants, in the manufacture of insecticide sprays for the following uses: Domestic Indoor (household), Domestic outdoor (household/ornamentals), Greenhouses, Commercial Industrial uses, Treatments of Animals not intended for Food (pets), and Terrestrial Non-food uses (lawns and grounds).

Please consult technical literature for specific manufacturing suggestions. Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.

Warm to room temperature. Mix well in drum before sampling and each use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a warm, dry place. Keep container closed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling or reconditioning, or dispose of in a sanitary landfill or by other procedures approved by State and Local authorities.
