Minneapolis, MN 55427-4319

Subject: Label Notification for Pesticide Registration Notices 98-10 and 2007-4
(**EPA Registration Number 1021-1599**)

Dear Mr. Ditto,

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notices (PRN) 98-10 and 2007-4 dated February 24, 2009 for the product EVERCIDE® Pressurized Pet and Plant Spray 2561 (EPA Registration Number 1021-1599). The Registration Division (RD) has conducted its review of this request for its applicability under PRNs 98-10 and 2007-4 and finds that the label changes requested fall within the scope of PRNs 98-10 and 2007-4. The label submitted with the application has been stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please call me directly at 703-305-6249 or Steve Schaible of my staff at 703-308-9362.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment wash waters or rinsate. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE.

Do NOT use on nursing puppies or kittens under 3 months of age.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. For emergency information call 1-888-740-8712.

Avoid contamination of food or feedstuffs. Do not spray plants used for food or feed.

FOR PETS:

USE ONLY ON CATS AND DOGS

5/5

This product will kill fleas for up to 14 days on dogs and cats and will kill ticks for 4 days on dogs and 9 days on cats.

Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Using a protective mitt or glove, fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly, however, do not over saturate the fur or skin of the animal. Do not spray in face or eyes or on genitalia. Repeat application every two weeks as necessary.

FOR CATS, apply at the rate of 1 second per pound of body weight. For dogs apply at the rate of 2 seconds per pound of body weight for thin or short-haired dogs and up to 8 seconds per pound of body weight for heavy or long-haired dogs.

Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals.

Pet Areas: Remove and launder pet bedding. While bedding is removed, spray infested areas around pet bed and other pet resting areas. Spray baseboards, cracks and crevices, and spot treat carpets, rugs, or other areas where these pests may be found.

FOR PLANTS:

For use on Indoor Houseplants, such as African Violet, Dieffenbachia, Gold-Brocade Plant, Ivy, Madame Butterfly, Philodendron, Purple Passion, Schefflera and Silver Tree Plant. Certain indoor houseplants may be sensitive to burning of foliage or dropping of leaves. Before treating any plant, test by spraying one to two leaves and checking for damage.

This product kills Aphids, Mealy bugs, Whiteflies and Spider mites and provides up to two (2) weeks of control.

Spray both upper and lower leaf surfaces from a distance of 10-12 inches until visibly wet.

STORAGE AND DISPOSAL

Do not contaminate, water, food, or feed by storage and disposal.

Pesticide Storage

Store in a cool, dry area. Keep container closed. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling

Nonrefillable container. Do not reuse or refill this container.

Do Not Puncture or Incinerate!

If empty:

Place in trash or offer for recycling if available.

If partly filled:

Call your local solid waste agency for disposal instructions.
