Subject: Label Amendment – Label amendment deleting cat uses from the label and updating label corresponding to Interim Decision for Permethrin.
Product Name: Evercide Pressurized Pet and Plant Spray 2561
EPA Registration Number: 1021-1599
Application Date: 03/17/2021, 10/10/2024
Case Number: 481627, 637653

Dear Erin Tomaszewski:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the Registration Review of the above referenced product in connection with the Permethrin Interim Decision, and has concluded that your submission is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the

Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Eric Ingram via email at ingram.eric@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich". The signature is fluid and cursive, with the first name and last name clearly distinguishable.

Manufactured by

7325 Aspen Lane North
Minneapolis, MN 55428

EPA Reg. No. 1021-1599

EPA Est. No. 1021-MN-2

Net Contents: _____

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling.

For indoor use only

READ ENTIRE LABEL BEFORE EACH USE.

USE RESTRICTIONS:

- DO NOT USE ON CATS OR KITTENS
- Keep cats away from treated areas and treated dogs for 24 hours. If applied to a cat or ingested by a cat, contact your veterinarian immediately.
- Do NOT use on nursing puppies under 3 months of age.
- Avoid contamination of food or feedstuffs. Do not spray plants used for food or feed.
- Do not spray plants used for food or feed.
- Do not wet plants to the point of runoff or drip.
- Do not spray plants used for food or feed.
- Except when applying to pets, do not enter or allow others to enter until sprays have dried.
- Remove or cover exposed food and drinking water before application.
- Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Do not wet articles to point of runoff or drip.
- Do not use treated articles until spray has dried.
- Do not apply as a broadcast treatment to indoor surfaces at residential sites.
- Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos.

- { Note to reviewer: Pictogram must be no smaller than 1.5 cm² or 0.25 sq. in. unless size is greater than 10% of label size}
- Application of product on pets must only be done indoors.

Remove or cover exposed food and drinking water before application. Remove or cover dishes utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. For emergency information call 1-888-740-8712.

FOR PETS:

USE ONLY ON DOGS

This product will kill fleas for up to 14 days on dogs and will kill ticks for 4 days on dogs.

Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Using a protective mitt or glove, fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly, however, do not over saturate the fur or skin of the animal. Do not spray in face or eyes or on genitalia. Repeat application every two weeks as necessary.

For dogs apply at the rate of 2 seconds per pound of body weight for thin or short-haired dogs and up to 8 seconds per pound of body weight for heavy or long-haired dogs.

Consult a veterinarian before using this product on debilitated, medicated, aged, pregnant or nursing animals.

Pet Areas: Remove and launder pet bedding. While bedding is removed, spray infested areas around pet bed and other pet resting areas. Spray baseboards, cracks and crevices, and spot treat carpets, rugs, or other areas where these pests may be found.

FOR PLANTS:

For use on Indoor Houseplants, such as African Violet, Dieffenbachia, Gold-Brocade Plant, Ivy, Madame Butterfly, Philodendron, Purple Passion, Schefflera and Silver Tree Plant. Certain indoor houseplants may be sensitive to burning of foliage or dropping of leaves. Before treating any plant, test by spraying one to two leaves and checking for damage.

This product kills Aphids, Mealy bugs, Whiteflies and Spider mites and provides up to two (2) weeks of control.

Spray both upper and lower leaf surfaces from a distance of 10-12 inches until visibly wet.

STORAGE AND DISPOSAL

Follow proper disposal procedures on this label. Siga las indicaciones del etiquetado para el desecho apropiado del producto.

Do not contaminate, water, food, or feed by storage and disposal.

PESTICIDE STORAGE

Store in a cool, dry area. Keep container closed. Always store pesticides in the original container. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING

Non-refillable container. Do not reuse or refill this container.

Do Not Puncture or Incinerate!

If empty:

Place in trash or offer for recycling if available.

If partly filled:

Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for disposal instructions.

Federal regulations prohibit
CFC propellants in aerosols
Contains NO CFC's or other Ozone Depleting Substances
