Subject: MGK[®] Insect Repellent Spray 2559
EPA Reg. No. 1021-1600
Notification

Dear Sir or Madam:

By notification, we have revised our label to add no CFC claims and the No CFC symbol. We are also adding an optional "STOP" before the phrase "Read All Directions Before Using This Product."

2 copies of our current label are enclosed, 1 copy has additions highlighted in yellow.

I certify that this notification is consistent with PR Notice 98-10, PR Notice 92-2 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, then this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If there are any questions or you need anything further, please contact this office.

Sincerely,

McLAUGHLIN GORMLEY KING COMPANY

KEEP OUT OF REACH OF CHILDREN

WARNING

FIRST AID

IF SWALLOWED: Call a physician or Poison Control Center. Do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.
IF IN EYES: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention.

Probable mucosal damage may contraindicate the use of gastric lavage.

For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Harmful if swallowed. Do not get in eyes. Causes substantial but temporary eye injury. Wash thoroughly with soap and water after handling. After returning indoors, remove contaminated clothing and wash skin. Wash clothing before reuse. Avoid swallowing or inhaling spray.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

4 8 4

[STOP] READ ALL DIRECTIONS BEFORE USING THIS PRODUCT

To repel the listed insects, apply just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. To apply to face, spray into hands and rub on. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not spray directly on face. Do not apply over cuts, wounds, or irritated skin. Repeat as needed. For ticks and chiggers, also apply to shoe tops, socks, and around openings in clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

Avoid contact with plastics, such as eyeglass frames, and such fabric as acetate rayon.

[Wash hands after applying product]. [Product may damage painted or varnished surfaces.]

Do not spray in enclosed areas.

STORAGE AND DISPOSAL	
PESTICIDE STORAGE:	Store in a secure, preferably locked storage area that is cool and dry.
DISPOSAL:	Do not puncture or incinerate!
If empty:	Place in trash or offer for recycling if available.
If partially filled:	Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
