1/2

To repel the listed insects: Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. Frequent reapplication and saturation is unnecessary for effectiveness. If used on the face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face.

Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Repeat as needed. For ticks and chiggers, also apply to shoe tops, socks, and around openings in clothing.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you.

Avoid contact with plastics such as eyeglass frames, and fabric such as acetate or rayon.

[Wash hands after applying product.] [Product may damage painted or varnished surfaces.]

Do not spray in enclosed areas.

#### STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a secure, preferably locked storage area that is cool and dry.

#### DISPOSAL:

Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
