Ms. Julie Schlekau
McLaughlin Gormley King Company
8810 Tenth Avenue North
Minneapolis, MN 55427

AUG 25 1998

Dear Ms. Schlekau:

Subject: Label Amendment
Multicide ETOC 90% Concentrate
EPA Reg. No. 1021-1621
Submission dated May 11, 1998

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling.

1. The proposed addition of the use sites: Fiber Product Protection and Human Articles and Materials is unacceptable because there are no ETOC end-use products registered for use on these sites. Delete reference to these sites.
2. Change "Indoor Residential" to "Indoor/Outdoor Residential" since there are now outdoor residential uses of products containing ETOC.

Submit two copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

Thank you for your cooperation in this matter. If you have any questions, please contact Kevin Sweeney at (703)-305-5063.

Sincerely,

for

George LaRocca
Product Manager 13
Insecticide Branch
Registration Division (7505C)

MULTICIDE® ETOC® 90% Concentrate

An Insecticide for Manufacturing Use Only

8810 Tenth Avenue N. / Minneapolis, Minnesota 55427-4372 U.S.A.

KEEP OUT OF REACH OF CHILDREN

WARNING

STATEMENT OF PRACTICAL TREATMENT

- IF SWALLOWED:** Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.
- IF IN EYES:** Flush eyes with plenty of water. Call a physician if irritation persists.
- IF ON SKIN OR CLOTHING:** Remove contaminated clothing and wash before re-use. Wash skin with soap and warm water. Get medical attention if irritation occurs.
- IF INHALED:** Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

May be fatal if inhaled or absorbed through the skin. Harmful if swallowed and causes moderate eye injury (irritation). Do not get in eyes, on skin, or on clothing. Do not breathe spray. Wear a mask or pesticide respirator jointly approved by the Mine Safety and Health Administration and the National Institute for Occupational Safety and Health. Wear protective clothing and rubber gloves. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.
