This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 1021- 1627".

b. Under "Directions for Use" identify what type product can be identified from this technical and delete what it cannot be used for. Currently the active ingredient can be used in and around non-food/feed areas of residential, industrial and institutional buildings. Thus, delete the first paragraph under "Directions for Use" and modify the second paragraph as follows: This product is to be used.....manufacture of insecticide products which are registered for use in and around non-food/feed areas of residential, industrial and institutional buildings.

CONCURRENCES

SURNAME	8/17						
DATE							

We have reconsidered the need for a new sensitization study and conclude an additional study is not necessary. Based on the review of similar products that are not sensitizers and information on Esbiol we conclude that the subject product is not a sensitizer. Please take note of the comments identified in our letter of June 20, 1995 when conducting sensitization studies in the future.

3. Submit two (2) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6 (e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

CAUTION

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. Do not induce vomiting because of aspiration pneumonia hazard. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

IF ON SKIN OR CLOTHING: Remove contaminated clothing and wash before reuse. Wash skin with plenty of soap and warm water. Get medical attention if irritation persists.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food and feedstuffs.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish and other aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may not be used to formulate products for the following uses: 1) food producing livestock - Direct applications to meat and dairy animals, treatment of occupied premises or when animal food or feed is present, 2) growing crops - Edible crops and pre- and postharvest sprays, 3) fumigated commodities and 4) aquatic uses.

This product is to be used with appropriate solvents, carriers, and for pressurized products, propellents, in the manufacture of insecticide sprays for indoor non-food areas and for uses which USEPA has accepted the required data in support of registration.

Please consult technical literature for specific manufacturing suggestions. Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.

Warm to room temperature. Mix well in drum before sampling and each use.
