Minneapolis, MN 55427-4319

Subject: Label Notifications for Pesticide Registration Notice 2007-4

Dear Mr. Lennan,

The Agency is in receipt of your Applications for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 dated April 30, 2009 for the following products:

EVERCIDE® Concentrate 2625 (EPA Registration Number 1021-1655)
NYLAR® Concentrate 2631 (EPA Registration Number 1021-1657)
EVERCIDE® Intermediate 2132 (EPA Registration Number 1021-1659)

The Registration Division (RD) has conducted its review of these requests for their applicability under PRN 2007-4 and finds that the label changes requested fall within the scope of PRN 2007-4. The labels submitted with the applications have been stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please call me directly at 703-305-6249 or Steve Schaible of my staff at 703-308-9362.

Sincerely,

A handwritten signature in cursive script that reads "Rachel C. Holloman".

Subject: EVERCIDE® Concentrate 2625
EPA Reg. No. 1021-1655
Notification Per PR-Notice 2007-4

Dear Sir or Madam:

By Notification, we are updating the storage and disposal statement per PR-Notice 2004-7. This product is a manufacturing use product that is not diluted prior to use, therefore we have not added detailed rinsing instructions per §156.146. We have however, per Nancy Fitz' recommendation maintained our current instructions to triple rinse the container before disposing or offering for reconditioning or recycling. A copy of Nancy's recommendation is enclosed for your convenience.

Enclosed are two (2) copies of the label. One (1) copy has changes highlighted.

This amendment is consistent with the guidance in PR Notice 2007-4 and the requirements of EPA's regulations at 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156. No other changes have been made to the labeling or the Confidential Statement of Formula for this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if the amended label is not consistent with the requirements of 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA." If there are any questions or you need anything further, please contact this office.

Sincerely,

McLAUGHLIN GORMLEY KING COMPANY

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**CAUTION**

Harmful if inhaled, swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to any body of water. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Instructions to Formulators: Only for Formulation into an Insecticide for the following uses: Indoor Non-Food/Feed and Indoor Residential

This product is to be used with appropriate solvents, carriers, and in the case of pressurized products, propellents in the manufacture of insecticide sprays. Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.

Mix well in drum before sampling and each use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place. Keep container closed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Nonrefillable Container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying and offer for recycling, if available or reconditioning, if appropriate or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.
