Your Submission Dated September 2, 2004

Dear Ms. Zielinski:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Revise the second sentence under Precautionary Statements to read, "Harmful if swallowed or absorbed through skin". This is based on the presence of petroleum distillates in the formula.

Sincerely,

A handwritten signature in black ink that reads "BeWanda Alexander for". The signature is written in a cursive, flowing style.
