U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

1021-
1679

MAR 31 1998

Term of Issuance: Unconditional

NOTICE OF PESTICIDE:
 X Registration
 Reregistration

Name of Pesticide Product:

Multicide Pressurized
Roach Spray 27341

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

McLaughlin Gormley King Company
8810 Tenth Avenue North
Minneapolis, Minnesota 55427-4372

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3) (c) (2) (B).

1. Make the labeling changes listed below before you release the product for shipment:

a. Add the phrase "EPA Registration No. 1021-1679".

b. On the front panel delete "with LESS Spray...No Need to Drown the Pest Anymore". Words or phrases implying that a product possess unique characteristics because of its composition are not acceptable.

Signature of Approving Official:

Date:

c. In the chemical name delete the hyphen between "imidazolidinyl" and "methyl".

d. Revise the beginning of the front panel statement to read "For Indoor Use Only in the Home and xxx etc."

e. Replace the Precautionary Statement section with "Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling."

f. Under Statement of Practical Treatment you may delete the if inhaled section.

g. Delete "Less spray will be needed than other products that you may be accustomed to using.". Vague or non-specific terms and/or comparative statements implying unstated benefits are not acceptable.

h. Under the Directions for Use add the following prohibition: "Do not use in food areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared food is served such as dining rooms but excluding areas where foods may be prepared or processed. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food/feed should be covered or removed. Non food areas of restaurants or food handling establishments are areas including (but not limited to) garbage rooms, lavatories, floor drains (to sewers) entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets, and storage (after canning or bottling."

i. Add the following precautions: "Hospital and/or nursing home patients must be removed from their rooms while treatment is being applied and must not be allowed to return until all treated surfaces have dried." "Do not apply this pesticide when classrooms are in use."

l. Add the following prohibition "Do not use in Federally Inspected Meat and Poultry Plants".

ACUTE TOXICITY REVIEW

STUDY	MRID	CATEGORY	CLASSIFICATION
Acute Oral	43791301	IV	Acceptable
Acute Dermal	43791302	III	Acceptable
Acute Inhalation	43791303	IV	Acceptable
Eye Irritation	43791304	III	Acceptable
Dermal Irritation	43791305	III	Acceptable

KEEP OUT OF REACH OF CHILDREN

CAUTION

STATEMENT OF PRACTICAL TREATMENT

IF ON SKIN:	Wash skin with soap and warm water. Get medical attention if irritation persists.
IF IN EYES:	Flush eyes with plenty of water. Call a physician if irritation persists.
IF INHALED:	Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through the skin. Avoid contact with eyes, skin, or clothing. Remove contaminated clothing and wash before reuse. Avoid breathing vapors or spray mist. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly after use.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Read the label and please follow all directions and precautions.

Ants, Cockroaches (American, German, Oriental, Brown Banded), Crickets, Earwigs, Sowbugs, and Silverfish: For use indoors, aim spray nozzle and spray to contact as many pests as possible, spraying into cracks and crevices and other hidden surfaces where these pests are hiding, such as under sinks and behind stoves and refrigerators, around plumbing service, and other inaccessible areas where these pests are seen. Less spray will be needed than with other products that you may be accustomed to using. There is no need to overspray. Repeat as necessary, when pests are seen, but not more frequently than once a week.

STORAGE AND DISPOSAL

STORAGE: Store in a secure, preferably locked storage area that is cool and dry.

DISPOSAL: Unused product may be disposed of by securely wrapping container in several layers of newspaper and discard in trash. The empty container may be placed with other steel cans for recycling, where available. Otherwise, replace cap and discard in trash.
