FIRST AID

IF SWALLOWED:	<ul style="list-style-type: none"> ▪ Call a poison control center or doctor immediately for treatment advice. ▪ Have a person sip a glass of water if able to swallow. ▪ Do not induce vomiting unless told to do so by a poison control center or a doctor. ▪ Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> ▪ Take off contaminated clothing. ▪ Rinse skin immediately with plenty of water for 15-20 minutes. ▪ Call a poison control center or doctor for treatment advice.
IF IN EYES:	<ul style="list-style-type: none"> ▪ Hold eye open and rinse slowly and gently with water for 15-20 minutes. ▪ Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. ▪ Call a poison control center for treatment advice.

Keep the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling.

PHYSICAL OR CHEMICAL HAZARDS

Highly Flammable Ingredient

Ingrediente Altamente Inflamable

Contents under pressure. Do not use or store near heat, sparks, or open flames. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not use in commercial food/feed handling establishments, restaurants, or other areas/sites where food/feed is commercially prepared or processed. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

Use this product to control: Fleas, Ants, Cockroaches (Palmetto Bugs, Waterbugs), Crickets, Yellow Jackets, Ticks, Flies, Spiders, Mosquitoes, Confused Flour Beetles, Carpet Beetles, Small Flying Moths, Sawtoothed Grain Beetles, and Rice Weevils.

GENERAL INFORMATION: Cover exposed food, dishes, utensils, and food handling equipment. Open cabinets, drawers, and doors in area to be treated. Close windows and outside doors. Use one unit for 6,000 cubic feet of unobstructed space. IMPORTANT: Do not remain in the building during treatment and ventilate thoroughly for 30 minutes before reoccupying treated area. Do not use this product in a cabinet or under a counter or table. Remove all pets, birds, and cover fish aquariums before using this product.

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

SHAKE WELL AND KEEP CONTAINER UPRIGHT

FOR TOTAL RELEASE OF PRODUCT: TO OPERATE VALVE: To lock valve in the open position for automatic discharge, break off and move tab on the side of the sprayer. Tilt sprayer away from face (container sprays straight up). Press down firmly on sprayer pad until it snaps into place. Place can on chair or table near the center of the area to be treated and leave the area at once. Keep out of the treated area for two hours and then ventilate as instructed above.

FOR FLEAS AND TICKS: Remove pet bedding before treatment. After treatment, replace pet bedding with new or freshly laundered bedding material. Pets should be treated with a pesticide product registered for use on animals at the same time that the house and yard are treated.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Keep container closed.

Do Not Puncture or Incinerate!

DISPOSAL:

If Empty: Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
