McLaughlin Gormley King Company
 8810 Tenth Avenue North
 Minneapolis, Minnesota 55427-4372

Attention: Mr. William L. Chase

166
17 5-538418

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered in accordance with FIFRA sec. 3(c)(5), provided that you:

- A. Make the labeling changes listed below before you release the product for shipment:
 - 1. Add the phrase, "EPA Registration No. 1021-1689"
- B. Submit one copy of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment of the product constitutes acceptance of these conditions.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL	DATE

KEEP OUT OF REACH OF CHILDREN

WARNING

FIRST AID

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if symptoms persist.
IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.
IF IN EYES: Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention.
NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Causes substantial but temporary eye injury. Harmful if absorbed through skin or inhaled. Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing spray mist. Wear goggles or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS

Keep from freezing.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING AND OCCASIONALLY DURING USE.

Do not apply directly to foliage or shrubs or to ornamental, soft-bodied plants.

GENERAL: For both indoor and outdoor situations, the most effective control for a pet is the sharply spoken word backed up with disciplinary action. This repellent product should be used in conjunction with training.

INDOORS: To break your pet of undesirable habits (such as sleeping on furniture, rugs, and other forbidden areas in your home): Spray the article of furniture, rugs, etc. lightly with this product so that the area or object is slightly moistened. Before spraying extensive areas of rugs, fabrics or plastics, test the effect of this product by first treating a small inconspicuous area. This product may stain or soften some fabrics or plastics. An alternative method to avoid possible damage is to spray a piece of cloth lightly and place it on the object or area in your home to be protected. Repeat daily, or as necessary, until undesirable habit is broken.

OUTDOORS: To prevent your pet, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreen: Spray the edges of flower beds, trunks of trees, the bases of shrubbery and evergreens, patches of lawn, etc., lightly every day, or every other day with this product. Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then spray the spot with this masking odor. Re-apply as often as necessary until undesirable habits of your pet or stray animals are changed.

Note: This product is not likely to break the established urination patterns of dogs unless used as a training aid.

Garbage and Garbage Cans: Treat bags of garbage and garbage cans on all surfaces until wet. Allow to dry before handling. Re-apply as necessary.

STORAGE AND DISPOSAL

STORAGE: Store only in original container, in a dry place inaccessible to children and pets.

DISPOSAL: Do not re-use empty container. Rinse thoroughly, securely wrap in newspaper, and discard in trash.
