### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with it's labeling.

SHAKE WELL BEFORE USING AND OCCASIONALLY DURING USE.

Do not apply directly to foliage or shrubs or to ornamental, soft-bodied plants.

**GENERAL:** For both indoor and outdoor situations, the most effective control for a pet is the sharply spoken word backed up with disciplinary action. This repellent product should be used in conjunction with training.

**INDOORS:** To break your pet of undesirable habits (such as sleeping on furniture, rugs, and other forbidden areas in your home): Spray the article of furniture, rugs, etc. lightly with this product so that the area or object is slightly moistened. Before spraying extensive areas of rugs, fabrics or plastics, test the effect of this product by first treating a small inconspicuous area. This product may stain or soften some fabrics or plastics. An alternative method to avoid possible damage is to spray a piece of cloth lightly and place it on the object or area in your home to be protected. Repeat daily, or as necessary, until undesirable habit is broken.

**OUTDOORS:** To prevent your pet, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreen: Spray the edges of flower beds, trunks of trees, the bases of shrubbery and evergreens, patches of lawn, etc., lightly every day, or every other day with this product. Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then spray the spot with this masking odor. Re-apply as often as necessary until undesirable habits of your pet or stray animals are changed.

**Note:** This product is not likely to break the established urination patterns of dogs unless used as a training aid.

**Garbage and Garbage Cans:** Treat bags of garbage and garbage cans on all surfaces until wet. Allow drying before handling. Re-apply as necessary.

**STORAGE AND DISPOSAL**

**STORAGE:** Keep only in the original container in a cool, dry place inaccessible to children and pets.

**DISPOSAL:**

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
