AND POLLUTION PREVENTION

Mr. Steven K. Ditto
Regulatory Affairs Specialist
McLaughlin Gormley King Company
8810 10th Ave N
Minneapolis, MN 55427

Subject: Product Name: Everside® Crawling Insect Killer 2548
EPA Reg. No. 1021-1691
Submission date: 6/24/13
Amendment: Application for a formulation amendment for Basic Confidential Statements of Formula to change the percent concentration of MGK- 264 to reflect percent in technical material.

Dear Registrant:

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended is acceptable.

The revised Basic Confidential Statement of Formula dated 7/07/10 is "acceptable," and will be placed in the regulatory file.

If you have questions concerning this letter, please call Owen Beeder at 703-308-8899, or via email at beeder.owen@epa.gov or you may call me at 703-305-6701.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Gebken".

 CAUTION**

FIRST AID	
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> ▪ Take off contaminated clothing. ▪ Rinse skin immediately with plenty of water for 15–20 minutes. ▪ Call a poison control center or doctor for treatment advice.
IF IN EYES:	<ul style="list-style-type: none"> ▪ Hold eye open and rinse slowly and gently with water for 15–20 minutes. ▪ Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eye. ▪ Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> ▪ Immediately call a poison control center or doctor. ▪ Do not induce vomiting unless told to do so by a poison control center or doctor. ▪ Do not give any liquid to the person. ▪ Do not give anything by mouth to an unconscious person.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.	

Manufactured by:

8810 Tenth Avenue North
 Minneapolis, MN 55427

EPA Reg. No. 1021-1691

EPA Est. No. 1021-MN-2

Net Weight _____

Federal regulations prohibit CFC propellants in aerosols

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes moderate eye irritation. Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to or near water, or to areas where surface water is present, or to intertidal areas below the mean water mark. Do not apply when weather conditions favor drift from treated areas. Drift and runoff may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment wash waters. See Directions for Use for additional precautions and requirements.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not apply this product in or on electrical equipment due to possibility of shock hazard.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS

- Apply this product only as specified on this label.
- Do not contaminate food or feedstuffs.
- This product is intended for Indoor/limited outdoor residential use only.
- All residential outdoor applications must be limited to building surfaces and spot treatments on structures only. Broadcast surface applications are prohibited.
- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Do not allow children or pets to contact treated surfaces until spray has dried.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Do not wet articles to the point of runoff or drip. Do not use treated article until spray has dried.
- Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment, and food processing surfaces, or wash them before use.
- Do not water the treated area to the point of runoff. Do not make applications during rain.
- Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow this product to enter any drain during or after application.
- Remove pets, birds, and cover fish aquariums before spraying.

[Product Facts] [Where to Use]

Only For Use In and Around Residential Areas Such As Rooms, Apartments, Homes, Attics, Basements, Campers, Boats, Household Storage Areas, Garages, Pet Sleeping Areas, and Cabins.

SHAKE WELL BEFORE USE.

Use Information: Use this spray as a spot or crack and crevice treatment to control Asian lady beetles, Box Elder bugs, Brown Marmorated stink bugs (BMSB), cockroaches, fleas, silverfish, stink bugs, ticks, Waterbugs, and other insects listed below. Apply this product only as a coarse spray or crack and crevice treatment to localized areas where pests are found or may occur. Spray surfaces until wet.

FOR SPOT TREATMENT:

To Kill Ants, Asian Lady Bird Beetles, Banded Garden Spider, Black Widow Spiders, Bold Jumping Spider, Box Elder Bugs, Brown Marmorated Stink Bugs (BMSB), Bud Spider, Burrowing Wolf Spider, Carpet Beetles, Cat face Spider, Centipedes, Cigarette Beetles, Cobweb Weaver Spider, Cockroaches, Common House Spider, Confused Flour Beetles, Crickets, Cupboard Spider, Daddy-Long-Legs, European House Spider, Funnel Web Spider, Giant Wolf Spider, Grass Spider, Ground Spider, Indian Meal Moths, Marbled Cellar Spider, Parson Spider, Rice Weevils, Sawtoothed Grain Beetles, Scorpions, Silverfish, Southern House Spider, Sowbugs, Spiders, Woodlouse Spider, Stink Bugs, and Yellow Sac Spider: Spray areas where these insects are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators, and cabinets; and around garbage cans, plumbing, and other utility installations. Pests driven out of hiding places should be sprayed directly. For ants, spray ant trails and around doors and windows, and wherever else these pests may find entrance. For control of Black Carpet Beetles, spray along baseboards and edges of carpeting, under carpeting, rugs, and furniture and wherever these insects are seen or suspected.

To Kill Brown Dog Ticks and Fleas: Thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames, and localized areas of floor and floor coverings where these pests may be present. Pet's old bedding should be removed and replaced with clean, fresh bedding after treatment. DO NOT SPRAY PETS WITH THIS PRODUCT. Pets should be treated with a registered flea and tick control product prior to reentering treated areas.

FOR CRACK AND CREVICE TREATMENT:

To Kill Ants, Asian Lady Beetles, Banded Garden Spider, Black Widow Spiders, Bold Jumping Spider, Box Elder Bugs, Brown Dog Ticks, Brown Marmorated Stink Bugs (BMSB), Bud Spider, Burrowing Wolf Spider, Carpet Beetles, Cat face Spider, Cobweb Weaver Spider, Cockroaches, Common House Spider, Crickets, Cupboard Spider, Daddy-Long-Legs, European House Spider, Fleas, Funnel Web Spider, Giant Wolf Spider, Grass Spider, Ground Spider, Marbled Cellar Spider, Parson Spider, Scorpions, Silverfish, Southern House Spider, Sowbugs, Spiders, Stink Bugs, Woodlouse Spider, and Yellow Sac Spider: Apply spray in small amounts directly into cracks and crevices. Equipment capable of delivering a pin stream should be used in points between different interior elements of construction, between equipment and floors, openings leading to voids and hollow spaces in interior walls, equipment legs and bases where these insects hide.

Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food handling surfaces.

Flies and Mosquitoes: Use only outdoors as an aid in reducing annoyance from these insects. Apply as spot treatments to outside surfaces of window and door frames as well as other areas where these pests may enter the home. Also apply as spot treatments to dark corners and localized resting areas (such as under eaves) or porches, patios, and garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed.

[Alternate use directions when using the product as an outdoor spray equipped with streaming spray button and extension tube]

[**READ ALL DIRECTIONS COMPLETELY BEFORE USE** [Product name] is intended to use as a limited exterior spot treatment on residential structures to keep ants from entering the structure. Direct your application to areas that ants and other listed insects use as common entry points into residential structures. This product is especially useful in early spring when ants emerge and attempt to enter the house. Use it again in the fall when ants attempt to come inside for the winter.

SHAKE WELL BEFORE EACH USE. HOLD CONTAINER UPRIGHT. APPLY IN SHORT BURSTS and always use the attached red extension tube to direct the application. A spare red extension tube is included with each can. For best results, follow directions for specific listed insects and use areas. This product is designed for limited outdoor applications to building surfaces and spot treatments on structures only. Do not apply this product directly to animals. Any liquid may adversely affect some building materials. Always test in an inconspicuous area prior to widespread use.

DO NOT CONTAMINATE FOOD AREAS.

LIMITED OUTDOOR USE: All residential outdoor applications must be limited to building surfaces and spot treatments on structures only. Spray with caution when wind conditions may create a mist that may blow back to applicator. Always attempt to use the attached red extension tube or the spare. When engaged, spray will shoot out a stream 10 to 15 feet long. The liquid will expand upon hitting a target surface and then leave an invisible residual deposit to kill ants. Do not spray this product in and around bodies of water

ANTS: Focus your spot treatments to key areas outside the house, where you suspect ants are entering the structure, such as around downspouts and gutters, near window sills, and door openings. Seal up any visible exterior cracks where ants can be seen entering the home.

SPIDERS: Focus your spot treatments to spiders and webs on the exterior of building surfaces.

CRAWLING INSECTS: Cockroaches, Crickets, Sowbugs, Multicolored Asian Ladybird Beetles. Focus your spot treatments to key areas outside the house where you suspect these insects are entering the structure, such as around downspouts and gutters, near windowsills and door openings. Spray insects directly where possible. Seal up any visible exterior cracks where crawling insects can be seen entering the home.]

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage

Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling

Do not puncture or incinerate!

Nonrefillable container. Do not reuse or refill this container.

If empty:

Place in trash or offer for recycling if available.

If partly filled:

Call your local solid waste agency for disposal instructions.

[Notice Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.]

[Our Guarantee: If for any reason you are not satisfied with this product, mail us proof of purchase to obtain a full refund of your purchase price.]
