Anne Marie C. Zielinski
McLaughlin Gormley King Company
8810 Tenth Avenue North
Minneapolis, MN 55427-4319

Subject: Revised Label For:
Aquapel 50% DEET Concentrate 2741`
EPA Registration No. 1021-1703
Application dated June 27, 2005

Dear Ms. Zielinski:

The labeling for the product cited above submitted with your letter dated June 27, 2005 is acceptable subject to the comments listed below. Note, these same comments were a condition of the acceptance of the label for this product in the Agency's letter dated November 9, 2005.

1) Submit the technical literature and formulating instructions for this product.

2) If a MSDS Sheet has been prepared for this product, it must also be submitted.

A stamped copy of the draft label is enclosed. Submit two copies of the finished label along with the information required above.

Sincerely,

Richard Gebken
Product Manager 10
Insecticide Branch
Registration Division (7505C)

DANGER

FIRST AID

IF IN EYES:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Probably mucosal damage may contraindicate the use of gastric lavage. Have the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

Corrosive. Causes irreversible eye damage. Harmful if swallowed or absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Wear long-sleeved shirt and long pants; socks; shoes; chemical-resistant gloves such as Barrier Laminate, Neoprene Rubber, or Viton; and protective eyewear such as goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product
in a manner inconsistent with its labeling.

Only for formulation into an Insecticide for the following use(s): insect repellent products that are used on and around humans in indoor and outdoor situations.

This product is to be used with appropriate solvents, carriers, and in the case of pressurized products, propellants in the manufacture of insect repellent products that are used on and around humans in indoor and outdoor situations. This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Consult MGK® technical literature and formulating instructions regarding specific manufacturing instructions. Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.

Warm contents to room temperature. Mix contents well in drum before sampling and each use.

ACCEPTED

STORAGE AND DISPOSAL

Do not contaminate water, food, or feedstuffs by storage or disposal.

STORAGE: Store in a cool, dry place. Keep container tightly closed. Protect from freezing.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other approved state and local authorities.
