**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING**

Causes substantial but temporary eye injury. Harmful if swallowed or inhaled. Do not get in eyes. Avoid breathing spray mist. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

AQUAPEL™ 25% DEET Repellent Pump Spray 27411 provides up to 8 hours of protection from Mosquitoes and up to 4 hours protection from Black Flies, Stable Flies, Sand Flies, Gnats, Chiggers, Fleas, and Ticks. Convenient, easy to use pump spray allows quick and thorough application to skin, hair, and clothing for maximum protection.

**Read and follow all directions and precautions on this product label.** Hold container upright about 4 to 6 inches from skin or clothing. Do not use as a space spray. Do not spray in enclosed areas. Spray and spread evenly with your hand to moisten all exposed skin. Use just enough repellent to cover exposed skin and/or clothing. Avoid overuse. Frequent reapplication and saturation of clothing are unnecessary for effectiveness. To apply to face, spray palms of hand and apply to cover face. Apply sparingly around ears. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply over cuts, wounds, or irritated skin. Do not spray directly on the face. Also apply to clothing such as

1/2

shirt, pants, hat, and socks. Do not use under clothing. For Chiggers and T apply to shirt and pant cuffs and socks.

NOTE: Will not damage cotton, wool, or nylon. Do not apply on or near acetate, rayon, Spandex or synthetics other than nylon, furniture, plastics, watch crystals, leather and painted or varnished surfaces (including automobiles).

After returning indoors, wash treated skin with soap and water. Wash treated clothing before reuse. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call you local Poison Control Center. If you go to a doctor, take this repellent product with you.

#### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool, dry place. Keep container closed.

**DISPOSAL:**

If empty: Do not reuse this container. Place in trash or offer for recycling if available.  
If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
