OFFICE OF PREVENTION, PESTICIDES AND TOXIC SUBSTANCES

May 13, 2010

Mr. Steven K. Ditto McLaughlin Gormley King Company 8810 Tenth Avenue North Minneapolis, MN 55427

Subject: Label Notification(s) for Pesticide Registration Notice 2007-4

Updating the Storage and Disposal language

Dear Mr. Ditto:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 dated April 15, 2010 for the following product(s):

Drypy II	EPA Reg. No. 1021-1719
Evercide Esfenvalerate 35% W.P. 2787	EPA Reg. No. 1021-1752
Evercide Emulsifiable Concentrate 2806	EPA Reg. No. 1021-1776
Evercide Emulsifiable Concentrate 2805 MUP	EPA Reg. No. 1021-1782
Multicide Fogging Concentrate 2611 MUP	EPA Reg. No. 1021-1811

The Registration Division (RD) has conducted a review of this request for applicability under PRN 2007-4 and finds that the label change(s) requested falls within the scope of PRN 2007-4. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact Regina Foushee'-Smith at 703-605-0780.

Sincerely,

Richard J. Gebken

Product Manager Insecticide Branch

DRYPY™ II

EPA Reg. No. 1021-1719

Notification Per PR-Notice 2007-4

Dear Sir or Madam:

By Notification, we are updating the storage and disposal statement per PR-Notice 2004-7. This product is a manufacturing use product that is not diluted prior to use, therefore we have not added detailed rinsing instructions per §156.146. We have however, per Nancy Fitz' recommendation maintained our current instructions to triple rinse the container before disposing or offering for reconditioning or recycling. A copy of Nancy's recommendation is enclosed for your convenience.

Enclosed are two (2) copies of the label. One (1) copy has changes highlighted.

This amendment is consistent with the guidance in PR Notice 2007-4 and the requirements of EPA's regulations at 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156. No other changes have been made to the labeling or the Confidential Statement of Formula for this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if the amended label is not consistent with the requirements of 40 CFR §§ 156.10, 156.140, 156.144, 156.146, and 156.156, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA." If there are any questions or you need anything further, please contact this office.

Sincerely,

McLAUGHLIN GORMLEY KING COMPANY

# PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

## CAUTION

Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

### **ENVIRONMENTAL HAZARDS**

This product is toxic to fish and other aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

#### PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is to be repackaged or used to formulate end use insecticide products when used with appropriate carriers and fillers. Formulators who use this product may be responsible for providing data to support their own registration with the appropriate regulatory agencies. Consult MGK® technical literature and formulating instructions specific to this product for manufacturing instructions. Avoid contamination of food and feedstuffs.

This product can be used to manufacture products which will be used in both food and non-food sites, as well as structural, stored product protection, on-animal use and animal premise treatment products, and farm and home premise treatment.

#### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place. Keep container tightly closed.

<u>PESTICIDE DISPOSAL</u>: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

<u>CONTAINER HANDLING</u>: Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying and offer for recycling, if available or reconditioning, if appropriate or puncture and dispose of in a sanitary landfill or by other approved State or Local procedures.
