KEEP OUT OF REACH OF CHILDREN

WARNING

FIRST AID

- IF SWALLOWED: Call a physician or Poison Control Center. Do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.
 - IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.
 - IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.
 - IF IN EYES: Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention. If product, diluted in accordance with the directions for use, gets in eyes, medical attention is not required.
- Probable mucosal damage may contraindicate the use of gastric lavage.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Causes substantial but temporary eye injury. Harmful if inhaled. Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing spray mist. Wear goggles or face shield. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND/OR CATS. Follow all precautions and directions.

For use on Dogs, Cats, Puppies and Kittens over the age of 12 weeks for the control of Fleas and Ticks. Do not repeat treatment for 7 days. Do not use on puppies and kittens under 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals. Sensitivities may occur using any pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

HOW TO USE: Wet the animal's coat with water. Apply shampoo along the back of the animal, working it into a lather. Apply more shampoo working down the legs, paying attention to the foot pads (between the toes) and the underbody areas. Pay special attention to the base of the tail, as it is a place frequented by fleas. Wash the head and ear areas carefully, making sure to keep the shampoo out of the animal's eyes. NOTE: A drop of glycerine in each eye before bathing can prevent or reduce irritation if the shampoo gets in the animal's eyes. Once the animal is "fully lathered", let stand for 5 minutes before rinsing thoroughly with water.

For small dogs and cats under 15 pounds, it is advisable to wrap animal in a towel to absorb moisture for several minutes. This also will allow dying fleas and ticks to crawl off pet into towel before drying further with a towel or blow dryer.

Flea and tick control on the pet is only part of the solution of the problem. The inside of the house and the outdoor area used by the pet must also be treated for complete control.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place, preferably a locked storage area. Store at temperatures above 32° F.

PESTICIDE DISPOSAL: We encourage you to use this product completely. If you cannot use it up, give it to someone who can. Otherwise, unused product can be disposed of by wrapping in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Triple rinse container and offer to recycling program, if available in your area. If recycling is not available, triple rinse container and reclose with cap and discard in trash.

Subject: PYROCIDE® Flea & Tick Shampoo 51921
EPA Reg. No. 1021-1723
Notification

Dear Sir or Madam:

By notification, we are adding additional marketing language to our label. 2 copies of the label are enclosed. Additions to the label are highlighted in yellow on the first copy.

I certify that no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, then this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If there are any questions or you need anything further, please contact this office.

Sincerely,

McLAUGHLIN GORMLEY KING COMPANY
