McLaughlin Gormley King Company
7325 Aspen Lane North
Minneapolis, MN 55428

Subject: Label Amendment – Added directions for handling refillable tote containers and updating the handling directions for non-refillable containers
Product Name: EVERCIDE Permethrin 40% Mfg. Concentrate 2778
EPA Registration Number: 1021-1737
Application Date: 02/25/2022
Decision Number: 584551

Dear Mr. Lennan:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. The next label printing of this product must use this labeling unless subsequent changes have been approved. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

EPA Reg. No. 1021-1737
Decision No. 584551

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, you may contact Robert Mitchell at 202-566-2842 or via email at mitchell.robert@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich". The signature is cursive and somewhat stylized.

EVERCIDE® PERMETHRIN 40% MFG. CONCENTRATE 2778

AN INSECTICIDE FOR MANUFACTURING / FORMULATION USE ONLY

ACTIVE INGREDIENT:

Permethrin [* (3-Phenoxyphenyl) methyl (+ or -) cis-trans-3-(2,2-dichloroethenyl) 2,2-dimethylcyclopropanecarboxylate].....	40.00%
** OTHER INGREDIENTS	60.00%
	100.00%

* Cis-trans isomers ratio: Min. 35% (+ or -) cis and Max. 65% (+ or -) trans

** Contains petroleum distillates

EVERCIDE® - Registered trademark of McLaughlin Gormley King Company

KEEP OUT OF REACH OF CHILDREN

WARNING

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none"> ▪ Immediately call a poison control center or doctor. ▪ Do not induce vomiting unless told to do so by a poison control center or doctor. ▪ Do not give any liquid to the person. ▪ Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> ▪ Take off contaminated clothing. ▪ Rinse skin immediately with plenty of water for 15–20 minutes. ▪ Call a poison control center or doctor for treatment advice.
NOTE TO PHYSICIAN: Contains petroleum distillate – vomiting may cause aspiration pneumonia.	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.	

Manufactured by

 7325 Aspen Lane North
 Minneapolis, MN 55428

EPA Reg. No. 1021-1737

EPA Est. No. 1021-MN-2

Net Contents: 30 – 330 Gal.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

May be fatal if swallowed. Avoid contact with skin or clothing. Wear long-sleeved shirt and long pants, socks, shoes, and chemical-resistant gloves such as Nitrile or Butyl Rubber. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ONLY FOR FORMULATION INTO AN INSECTICIDE for the following uses: Domestic Outdoor and Indoor, Industrial/Commercial Uses, Animal Treatments (including livestock and pets), Mosquito Abatement, and Terrestrial Non-Food and outdoor residential misting systems.

For use in factory-applied coatings (such as water repellent, fire retardant and stain resistant matrices) used in/on fabrics (for tents, shelters, truck covers, awnings, hunting blinds and nettings); outerwear garments (for coats, jackets, coveralls, gaiters, chaps, hat bands, bibs, vests, footwear, and footwear liners); and domestic animal (dogs, cats, horses) care products (such as pet bedding, blankets, rugs, netting and kennel/stall coverings) as an insecticide and/or repellent against ticks, mosquitoes, spiders, ants, fleas, flies, and other flying and crawling insects. Also for use in/on fabrics for carpeting as an insecticide and/or repellent against dust mites. Incorporate into the coating matrix of fabrics at a rate not to exceed 1.25 grams Permethrin per square meter of fabric.

Total release foggers labeled for indoor use at residential sites must be formulated to contain no more than 0.58% Permethrin active ingredient.

Do not exceed an application rate equivalent to 1.25 grams of a.i. per square meter of fabric.

Not for formulation into Wettable Powder formulations unless they are packaged in water soluble bags.

Not for formulation into handheld foggers.

All liquid and ready-to-use products labeled for use on indoor surfaces (baseboard, spot, and crack and crevice) at residential sites must be formulated to contain no more than 0.5% permethrin active ingredient.

This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Warm gently to liquefy and mix well in drum before sampling and before each use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store upright at room temperature. Avoid exposure to extreme temperatures. Post as a pesticide storage area. Store away from food, pet food, feed, seed, fertilizers, and veterinary supplies. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

PESTICIDE DISPOSAL:

Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. Do not pour or dispose down-the-drain or sewer. Call your local solid waste Agency for local disposal options.

CONTAINER HANDLING:

Non-refillable container. Do not reuse or refill this container. Triple rinse or pressure rinse (or equivalent) promptly after emptying and offer for recycling if available or reconditioning, if appropriate or dispose of in a sanitary landfill or by other procedures approved by State and Local authorities.

[Or for refillable Tote containers

CONTAINER HANDLING:

Refillable container. Refill this container with pesticide only. Do not reuse this container for any other purpose. Cleaning before refilling is the responsibility of the refiller. Cleaning the container before final disposal is the responsibility of the person disposing of the container. To clean the container before final disposal: Empty the remaining contents from this container into a mix tank and continue to drain for 10 seconds after the flow begins to drip. Fill the container about 10 percent full with water. Agitate vigorously or recirculate water with the pump for 2 minutes. Pour or pump rinsate into rinsate collection system. Repeat this rinsing procedure two more times. Or pressure rinse by inserting pressure rinsing nozzle in the side of the container, and rinse at about 40 psi for at least 30 seconds. Drain for 10 seconds after the flow begins to drip.

Offer for recycling if available or reconditioning if appropriate, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.]
