Subject: Label Amendment - Updating First Aid Statement per PR Notice 2001-1
EVERCIDE Esfenvalerate 35% W.P. 2787
EPA Reg. No. 1021-1752
Your Submission Dated October 2, 2003

Dear Ms. Schlekau:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

1. Make the following revisions to the Precautionary Statements:
 - a. Replace "Wash thoroughly with soap and water after handling." with "Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco."

If you have any questions regarding this action, please contact BeWanda Alexander of my team at (703) 305-7460.

Sincerely,

George T. LaRocca
Product Manager (13)
Insecticide Branch
Registration Division (7505C)

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is to be repackaged or used to formulate end use insecticide products when used with appropriate carriers and fillers. Formulators who use this product may be responsible for providing data to support their own registration with the appropriate regulatory agencies. Consult MGK® technical literature and formulating instructions specific to this product for manufacturing instructions.

This product can be used to manufacture products which will be used in both food and non-food sites, structural, stored product protection, residential, non-residential and outdoor building perimeter and lawn uses.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a warm, dry place. Keep container closed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. In case of spill or leak, soak up with sand, earth or synthetic absorbents. Do not use alkaline absorbents or clean area of spill with alkaline detergents.

CONTAINER DISPOSAL: Do not reuse empty container. Wrap container in several layers of newspaper and discard in garbage.
