KEEP OUT OF REACH OF CHILDREN

CAUTION

Table with 2 columns: Situation (IF SWALLOWED, IF ON SKIN OR CLOTHING, IF IN EYES) and First Aid instructions.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not apply to humans, pets, or plants. Do not contaminate feed, feedstuffs, dishes, or utensils. Cover and avoid spraying fish aquariums. Cover or remove exposed food, dishes, utensils, and food handling equipment.

Do not use in food areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared food is served such as dining rooms but excluding areas where food may be prepared or processed. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before use following treatment. Exposed food/feed should be covered or removed. Non-food areas of restaurants or food handling establishments are areas including (but not limited to) garbage rooms, lavatories, floor drains (to sewers) entries and vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets, and storage (after canning or bottling).

Do not use in Federally Inspected Meat or Poultry Plants.

SHAKE WELL BEFORE EACH USE

5-11-2005

Hold container upright. Apply only to surface. Do not use as a space spray. Hold approximately 12 – 18 inches from surface being sprayed. Point spray opening toward surface to be sprayed and press button firmly. Spray surface until wet but not until runoff. Avoid excessive wetting of asphalt tile, rubber, and plastic materials.

For Control of Cockroaches and Waterbugs: Spray in cracks, around baseboards, and other hiding places such as under sinks, behind stoves and refrigerators, around plumbing pipes, and other areas where these pests are seen until surface is wet. Directly spray flushed out bugs.

For Control of Ants: Apply to ant trails, around doors and windows, and wherever ants enter the house.

For Control of Cat Fleas, Brown Dog Ticks, Crickets, Earwigs, Firebrats, Sowbugs, Spiders (including Black Widows), Scorpions, and Silverfish: Spray in cracks, around baseboards, and other hiding places such as under sinks, behind stoves and refrigerators, around plumbing pipes, and other areas where these pests are seen until surface is wet. Directly spray flushed out bugs.

For Control of Stored Product Pests: (Saw-toothed Grain Beetles, Confused Flour Beetles, and Rice Weevils). In the home kitchen, remove and inspect stored food products. Remove infested packages and seal in plastic bags to prevent reinfestation. Discard bags in garbage. After removing all food packages and shelf liners, spray visible pests and cracks, crevices, and corners of pantries, cupboards, and storage areas. Allow treated areas to dry and then install new shelf liner and return containers to shelves. Repeat treatment as necessary but not more frequently than once every 2 weeks.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a secure, preferably locked storage area that is cool and dry.

DISPOSAL:

Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800- CLEANUP for disposal instructions.
