**Subject: Amended Labeling, Correction of Active Ingredient Concentration
MGK® Aquapel™ Pump Spray 27413, EPA Reg. No. 1021-1819
Your E-Mail Submission Dated February 25, 2010**

Dear Mr. Lennan:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable with the following provision(s):

STORAGE AND DISPOSAL section comment(s):

1. Replace the existing "Pesticide Storage:" subsection with "Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals."
2. Replace the existing "**Pesticide Disposal and Container Handling:**" subsection with:

"Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. **If empty:** Offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain."

A copy of your label stamped "Accepted with Comments" is enclosed for your records. Please submit two (2) copies of the final printed labeling, incorporating the above changes, before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with section 6(e) of FIFRA. Your release for shipment of the product bearing amended labeling constitutes accepting of these conditions.

If you have any questions about this label review, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

FOR

Richard J. Gebken

KEEP OUT OF REACH OF CHILDREN

WARNING

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.
IF YOU SUSPECT A REACTION TO THIS PRODUCT:	<ul style="list-style-type: none"> Discontinue use. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

MGK® AQUAPEL™ Pump Spray 27413 is a convenient, easy to use pump spray that allows quick and thorough application to skin, hair, and clothing for maximum protection.

Read and follow all directions and precautions on this product label. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call you local Poison Control Center. If you go to a doctor, take this repellent product with you.

Hold container upright about 4 - 6 inches from skin or clothing. Do not spray in enclosed areas. If used on face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not use as a space spray. Spray and spread evenly with your hand to moisten all exposed skin. Also, apply to clothing such as shirt, pants, hat, and socks. Frequent reapplication and saturation of clothing are unnecessary for effectiveness. For Chiggers and Ticks, apply to shirt and pant cuffs and socks.

NOTE: Will not damage cotton, wool, or nylon. Do not apply on or near acetate, rayon, Spandex or synthetic fabrics, nylon furniture, plastics, watch crystals, leather and painted or varnished surfaces (including automobiles).

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage

Store in a cool, dry area. Keep container closed. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling

Nonrefillable container. Do not reuse or refill this container.

If empty:

Place in trash or offer for recycling if available.

If partly filled:

Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
