(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

McLaughlin Gormley King Company  
8810 Tenth Avenue N.  
Minneapolis, MN 55427-4372

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
  - a. Change the registration no. to read EPA Registration No. 1021-1825.
  - b. In the Precautionary Labeling the phrase, "or on clothing" may be deleted.
  - c. In the Precautionary Labeling the phrase, "or absorbed through skin", may be deleted.

Signature of Approving Official:

*See page 2*

Date:

*October 19, 2005*

d. The First-Aid Statement, for If On Skin Or Clothing, may be deleted.

3. Product specific efficacy data will be required. Once the efficacy guidelines are in place, you will be notified of the efficacy requirements.

4. The product must be packaged in containers utilizing a concave trigger to help aim the product or other comparable mechanism that will ensure that the product will not be inadvertently sprayed in the eyes.

5. A copy of the Acute Toxicity review is enclosed for your records

6. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

  
Richard Gebken  
Product Manager 10

PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**WARNING**

Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**PHYSICAL OR CHEMICAL HAZARDS**

**Flammable.** Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

MGK® Pressurized Repellent Spray 2850 provides protection against Mosquitoes, Black Flies, Stable Flies, Sand Flies, Gnats, Chiggers, Fleas, and Ticks. Convenient, easy to use aerosol spray allows quick and thorough application to skin, hair, and clothing for maximum protection.

**Read and follow all directions and precautions on this product label.** Hold container upright about 4 to 6 inches from skin or clothing. Do not use as a space spray. Do not spray in enclosed areas. Spray and spread evenly with your hand to moisten all exposed skin. Use just enough repellent to cover exposed skin and/or clothing. Avoid overuse. Frequent reapplication and saturation of clothing are unnecessary for effectiveness. To apply to face, spray palms of hands and apply to cover face. Apply sparingly around ears. Do not apply to eyes and mouth, and do not apply to the hands of young children. Do not allow children to handle this product. When using on children, apply to your own hands and then apply it to the child. Do not apply to cuts, wounds, or irritated skin. Do not spray directly on the face. Apply to clothing such as shirt, pants, hat, and socks. Do not use under clothing. For Chiggers and Ticks, apply to shirt and pant cuffs and socks.

**NOTE:** Will not damage cotton, wool, or nylon. Do not apply on or near acetate, rayon, Spandex or synthetics other than nylon, furniture, plastics, watch crystals, leather, and painted or varnished surfaces (including automobiles).

After returning indoors, wash treated skin with soap and water. Wash treated clothing before reuse. Use of this product may cause skin reactions in rare cases. If you suspect that you or

your child is reacting to this product, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this repellent product with you.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry place. Keep container closed.

**DISPOSAL:**

Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**ACCEPTED  
with COMMENTS  
In EPA Letter Dated:**

**OCT 19 2005**  
Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide
