Subject: Product Name: EVERCIDE® Wasp & Hornet Spray 26012
EPA Reg. No. 1021-1852
Submission date: 7/31/13
Amendment: To correct the nominal concentration of MGK-264 and add limitation of outdoor uses to Directions for Use Section

Dear Registrant:

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended is acceptable.

One copy of the master and supplemental labels stamped "Accepted" are enclosed for your records. These labels supersede all labels previously accepted for this product. Please submit one copy of the final printed master and supplemental labels before the product is released for shipment.

The revised basic and alternate confidential statements of formula dated 6/21/12 are "acceptable" and will be placed in the regulatory file.

If you have questions concerning this letter, please call Owen Beeder at 703-308-8899, or via email at beeder.owen@epa.gov or you may call me at 703-305-6701.

Sincerely,

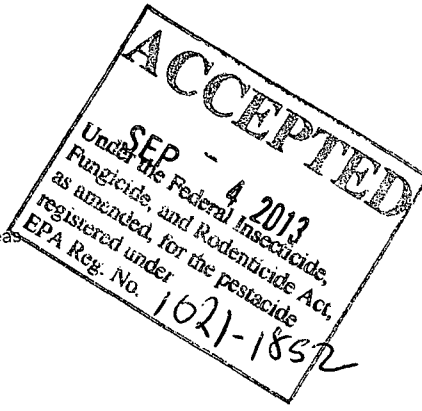

A handwritten signature in black ink that reads "Richard Gebken".

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment wash waters or rinsate.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not apply this product around electrical equipment due to the possibility of shock hazard.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE

Do not water the treated area to the point of runoff.

Do not make applications during the rain.

All outdoor applications, are limited to building surfaces and spot treatments on structures.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storms drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after applications.

Kills Wasps, Yellow Jackets, Mud Daubers and Hornets:

To treat nests:

1. Outdoor use is restricted to nests on building surfaces or structures.
2. Spray at sunrise or sunset [dusk] when insects are least active.
3. Stand a safe distance from the nest. Do not stand directly underneath or above nest.
4. Shake can well before each use. Always hold can upright while spraying.
5. With wind at your back, aim nozzle at nest and spray until soaked.
6. Wait 24 hours before removing the nest.

Kills other insects, including Spiders (including Black Widows), Scorpions, Crickets, Ants (excluding carpenter ants, fire ants and harvester ants), Centipedes and Earwigs:

1. Spray 1-2 second bursts directly on insects.
2. For scorpions, stand 3-4 feet away and thoroughly cover the insect. Make sure scorpions are dead before removing.

Use Precautions:

1. Avoid spraying plants. Rinse any foliage that is contacted with water.
2. This product is non-staining to most home siding and shingles, depending on age and cleanliness. Before using in areas where product may come in contact with home surfaces, test in an inconspicuous area first and observe for staining potential.
3. Do not use this product around electrical equipment or outlets because of possible shock hazard.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage

Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling

Do Not Puncture or Incinerate!

Nonrefillable container. Do not reuse or refill this container.

If empty:

Place in trash or offer for recycling if available.

If partly filled:

Call your local solid waste agency for disposal instructions.
