Subject: Label Notification

Dear Ms. Schlekau:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated 8/13/07 for **EPA Registration 1021-1855**. The Registration Division (RD) has conducted a review of this request for applicability under PRN 98-10 and finds that the label change(s) requested falls within the scope of PRN 98-10. The label has been date-stamped "Notification" and will be placed in our records.

If you have any questions, please contact me directly at 703-305-6249 or Sherada Hobgood of my staff at 703-308-8893.

Sincerely,

A handwritten signature in black ink, appearing to be "LSI".

Subject: Notification per PR Notice 98-10  
MULTICIDE® Crawling Insect Killer 28651  
EPA Reg. No. 1021-1855

Dear Sir/Madam:

By Notification we are adding scent claims for fragrances previously approved by EPA via Minor Formulation Amendment on March 15, 2007. In addition, we are adding non-public health pest ants to the label and a statement regarding the ants. All of these changes are highlighted on the label.

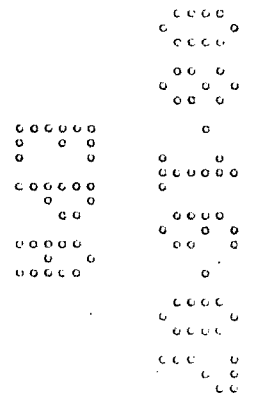

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions or need further information, please feel free to give us a call.

Sincerely,

*Julie B Schlekau*
