DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE.

Do not use as a space spray.

In the home, cover all food processing surfaces and utensils before treatment or thoroughly wash before use following treatment. Cover exposed food.

Remove pets and birds and cover fish aquariums before spraying.

Do not apply to humans, pets, plants, or contact food, dishes or utensils.

Do not allow children or pets to contact treated surfaces until spray has dried.

For use in areas such as:

Apartments, Ant Hills, Atriums, Attics, Basements, Bathrooms, Bedrooms, Bookcases, Carpets, Chests, Closed Porches, Closets, Clothes Storage, Dens, Dog Houses, Draperies, Furniture, Garages, Garbage Cans, Gazebos, Homes, Household, Kitchens, Lanais, Living Rooms, Pantries, Pet Bedding, Pet Sleeping Areas, Pet Carriers, Play Houses, Play Rooms, Porches Rooms, Rugs, Solariums, Storage Areas, Sun Porches, Sun Rooms, Utility Rooms and Verandas.

Kills the following insects [on contact]:

Ants, Argentine Ants, Asian Lady Bird Beetles, Black Ants, Brown Dog Ticks, Carpenter Ants, Carpet Beetle, Cockroaches [adults (nymphs)], Crickets, Fleas, Foraging Ants [Fire Ants], German Cockroaches, Palmetto Bugs, Pharaoh Ants, Red Ants, Red Harvester Ants, Scorpions, Silverfish, Sowbugs, Waterbugs [adults (nymphs)]

For residual control of german cockroaches spray along baseboards, under sinks, refrigerator, stove, dishwasher, or other places where cockroaches may hide.

CRACK AND CREVICE SPRAY: Apply spray in small amounts directly into cracks and crevices. Pay special attention to areas such as behind baseboards, connection areas around drains and pipes, behind and beneath sinks, stoves, and plumbing, and other visible cracks and crevices. Spray these areas thoroughly; making certain that spray penetrates well.

CONTACT APPLICATION: Spray at the rate of one liner foot per second. Contact as many insects as possible with this spray, in addition to thoroughly spraying of all parts of the room suspected of harboring these pests. Pay special attention to hiding places such as beneath sinks, behind and beneath stoves and refrigerators, around garbage cans and cabinets, along the outside of baseboards, door sills, frames and floors, around and on drains, pipes and plumbing, behind bookcases, storage, and other utility installation areas, contacting insects with spray when possible.

Carpet Beetles [Dermestids (Trogoderna): Directly spray as many insects as possible. Where possible, bottom of rugs and carpets should be sprayed thoroughly. Also treat shelves, closets, areas under furniture, on floors and walls, around windowsills and baseboards, and wherever these insects are seen or suspected. Backing of carpets and rugs should be allowed to dry before re-laying on floor.

Foraging Ants, Fire Ants and Foraging Carpenter Ants: To kill foraging Ants, including Fire Ants and Carpenter Ants spray insects directly and ant trails.

FOR SPOT TREATMENT:

To Kill Brown Dog Ticks and Fleas: Thoroughly spray, as a spot treatment, infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames, and localized areas of floor and floor coverings where these pests may be present. Pet's old bedding should be removed and replaced with clean, fresh bedding after treatment. **DO NOT SPRAY PETS WITH THIS PRODUCT.** Pets should be treated with a registered flea and tick control product prior to reentering treated areas. Also, treat your yard with a product registered for yard application.

To Kill Spiders (including Black Widow Spiders), Carpet Beetles, Cockroaches, Palmetto Bugs, Asian Lady Bird Beetles, Crickets, Scorpions, Silverfish and Sowbugs: Spray areas where these insects are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators, and cabinets; and around garbage cans, plumbing, and other utility installations. Pests driven out of hiding places should be sprayed directly.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Keep container closed.

DISPOSAL:

Do not puncture or incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.
