McLAUGHLIN GORMLEY KING COMPANY D/B/A MGK
7325 Aspen Lane North, Minneapolis, MN 55428

Subject: Registration Review Label Mitigation for Tetramethrin and Cypermethrin
Product Name: MULTICIDE® 28661
EPA Registration Number: 1021-1856
Application Dates: 3/18/2021, 8/13/2021
Case Numbers: 00476932, 00476823

Dear Thomas A. Lennan:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Tetramethrin and Cypermethrin Interim Decisions and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40

CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Ben Tweed by phone at 202-566-2274, or via email at tweed.benjamin@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Jaclyn Pyne". The signature is written in a cursive, flowing style.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not contaminate water when disposing of aerosol unit, washwater or rinsate. See Directions for Use for additional precautions and requirement. Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE.

GENERAL PRECAUTIONS AND RESTRICTIONS:

For Indoor Residential Use Only

- Do not use as a space spray. Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
- Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.
- Do not use water based sprays in conduits, motor housing, junction boxes, switch boxes, or other electrical equipment.
- During any indoor surface application, do not allow dripping or runoff to occur. During any application to ceilings of a structure, cover surface below with plastic shielding or other material.
- Do not apply this product in any room being used as a living, eating, or recovery area by the elderly or the infirm when they are in the room.
- Do not exceed maximum application rate of 16 seconds of spraying per each sq. ft. of surface.
- Remove pets and birds and cover fish aquariums before spraying.
- Do not apply to humans, pets, plants, or contact food, dishes or utensils.
- Do not allow children or pets to contact treated surfaces until spray [foam] has dried.
- Do not allow to enter indoor or outdoor drains unless labeled for drain treatments.
- No permita la entrada a desagües internos o externos a menos que el etiquetado indique que está permitido el uso del producto para tratamiento de desagües.

{Note to reviewer: Pictogram must be no smaller than 1.5 cm² or 0.25 sq. in. unless size is greater than 10% of label size}

For use in areas such as:

Apartments, Atriums, Attics, Basements, Bathrooms, Bedrooms, Bookcases, Carpets, Chests, Closed Porches, Closets, Clothes Storage, Dens, Dog Houses, Draperies, Furniture, Garages, Garbage Cans, Gazebos, Homes, Household, Kitchens, Lanais, Living Rooms, Pantries, Pet Bedding, Pet Sleeping Areas, Pet Carriers, Play Houses, Play Rooms, Porches Rooms, Rugs, Solariums, Storage Areas, Sun Porches, Sun Rooms, Utility Rooms and Verandas.

Kills the following insects [on contact]:

Ants, Argentine Ants, Asian Lady Bird Beetles, Brown Dog Ticks, Black Carpenter Ants, Carpet Beetle, Cockroaches [adults (nymphs)], Crickets, Fleas, Foraging Ants [Fire Ants], German Cockroaches, Palmetto Bugs, Pharaoh Ants, Red Harvester Ants, Scorpions, Silverfish, Sowbugs, Waterbugs [adults (nymphs)].

For residual control of German cockroaches spray non-porous surfaces until coated along baseboards, under sinks, refrigerator, stove, dishwasher, or other places where cockroaches may hide.

[FOR] CRACK[S] AND CREVICE[S] [SPRAY]: Apply spray [foam] in small amounts directly into cracks and crevices. Pay special attention to areas such as behind baseboards, connection areas around drains and pipes, behind and beneath sinks, stoves, and plumbing, and other visible cracks and crevices. Spray these areas thoroughly; making certain that spray [foam] penetrates well.

[FOR DIRECT] CONTACT APPLICATION: [Hold container upright with nozzle aimed away from you.] Spray [Apply] [foam] at the rate of one linear foot per second. Contact as many insects as possible with this spray, in addition to thoroughly spraying of all parts of the room suspected of harboring these pests. Pay special attention to hiding places such as beneath sinks, behind and beneath stoves and refrigerators, around garbage cans and cabinets, along the outside of baseboards, door sills, frames and floors, around and on drains, pipes and plumbing, behind bookcases, storage, and other utility installation areas, contacting insects with spray when possible.

[For] [To kill] Carpet Beetles [Dermestids (Trogoderma)]: Directly spray as many insects as possible. Where possible, bottom of rugs and carpets should be sprayed thoroughly. Also treat shelves, closets, areas under furniture, on floors and walls, around windowsills and baseboards, and wherever these insects are seen or suspected. Backing of carpets and rugs should be allowed to dry before re-laying on floor.

[[For] [To kill] Foraging Ants, Southern Fire Ants and Foraging Carpenter Ants: To kill foraging Ants, including Southern Fire Ants and Black Carpenter Ants spray insects directly and on ant trails.

FOR SPOT TREATMENT:

[[For] [To kill] Brown Dog Ticks and Fleas: Thoroughly spray, as a spot treatment, infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames, and localized areas of floor and floor coverings where these pests may be present. Do not exceed 16 seconds of spraying per each square foot. Pet's old bedding should be removed and replaced with clean, fresh bedding after treatment. DO NOT SPRAY PETS WITH THIS PRODUCT. Pets should be treated with a registered flea and tick control product prior to reentering treated areas. Also, treat your yard with a product registered for yard application.

[[For] [To kill] Spiders (including Black Widow Spiders), Carpet Beetles, Cockroaches, Palmetto Bugs, Asian Lady Bird Beetles, Crickets, Scorpions, Silverfish and Sowbugs: Spray areas where these insects are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators, and cabinets; and around garbage cans, plumbing, and other utility installations. Pests driven out of hiding places should be sprayed directly.

STORAGE AND DISPOSAL

Follow proper disposal procedures on this label. Siga las indicaciones del etiquetado para el desecho apropiado del producto.

PESTICIDE STORAGE:

Store in a cool, dry area. Keep container closed. Always store pesticides in the original container. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Do not puncture or incinerate! Non-refillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for disposal options..
