U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
Ariel Rios Building
1200 Pennsylvania Ave., NW
Washington, D.C. 20460

EPA Reg. Number:

1021-1862

Date of Issuance:

MAR 24 2008

NOTICE OF PESTICIDE:

- Registration
 - Reregistration
- (under FIFRA, as amended)

Term of Issuance:

conditional

Name of Pesticide Product:

MGK 29091

Name and Address of Registrant (include ZIP Code):

Julie Schlekau
McLaughlin Gormley King Company
8810 Tenth Avenue North
Minneapolis, MN 55427-4319

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) and (B) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You submit the data listed in Attachment A:
3. You make the following label changes:

In accordance with the tox review, revise the Precautionary Statements as follows:
Harmful if absorbed through the skin. Do not get on skin, in eyes, or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

Add to the Directions for Use a section entitled "General Precautions and Use Restrictions"

Signature of Approving Official:

Date:

Ann Scholten

MAR 24 2008

Richard Gebken
Product Manager 10
Insecticide Branch
Registration Division (7505P)

In the section entitled General Precautions and Use Restrictions, add the following:
Cover or remove exposed food, all food processing surfaces and utensils before treatment or thoroughly wash before use following treatment. Remove pets and birds and cover fish aquariums before spraying.

Do not use in indoor metered spray systems

Do not use in automatic misting systems

In accordance with the attached efficacy review, revise label claims as follows:

Fog your yard for up to eight hours of residual protection against mosquitoes that may transmit West Nile virus.

Up to eight hours control against mosquitoes that may transmit West Nile virus.

Up to eight hours residual control on treated surfaces

Up to eight hours residual mosquito control

Kills mosquitoes which may carry [transmit] West Nile virus, St. Louis Encephalitis and Dog Heartworms.

Kills mosquitoes

Delete the following claims:

...West Nile virus infected mosquitoes...

Malaria, Dengue, Yellow Fever.

Repels mosquitoes.

Kills mosquitoes which may carry 6 infectious diseases.

Protects against mosquitoes which may carry 6 infectious diseases.

...compost piles

Delete "picnics" and "food preparation areas" as this detracts from the General Precautions and Use Restrictions

Delete "fruit flies" as this may lead to misapplication to fruit.

Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

The basic confidential statement of formula (CSF) dated 7/6/07 and alternate CSF dated 1/2/08 are acceptable.

A copy of the efficacy and tox reviews are enclosed.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment wash waters or rinsate.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE. HOLD CONTAINER UPRIGHT. APPLY IN SHORT BURSTS.

For Residential Use Only

In the home, cover exposed food, all food processing surfaces and utensils before treatment or thoroughly wash before use following treatment.

Remove pets and birds and cover fish aquariums before spraying.

Kills many flying insects including: Flies, houseflies, fruit flies, cluster flies, face flies, vinegar flies, and other biting flies, mosquitos, gnats, and small flying moths.

INDOORS:

Close doors and windows. Direct spray upward to center of room, using slow, sweeping motion. Direct spray to all parts of the room, especially near light sources. In kitchens, treat areas that attract insects such as around windows, sinks, and garbage cans. Keep spray away from walls, drapes, and furniture. Spray 5-10 seconds for average room. Do not remain in treated area. Keep room closed for 15 minutes. Ventilate thoroughly before re-entry.

OUTDOORS:

Remove all exposed food and cooking utensils. Cover all food-handling surfaces or wash thoroughly after treatment and before use following treatment. Do not use on edible crops.

To kill [reduce annoyance] of these insects, spray when air is calm using slow, sweeping motion. If a slight breeze is present, spray with the wind. Allow fog to drift over treated area. Spray around porches, patios, screens, doors, window frames, and garbage cans. If spraying around growing plants, keep spray at least 24 inches from foliage to avoid plant injury. Allow spray to dissipate before occupying the treated area.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Keep container closed.

DISPOSAL:

Do Not Puncture or Incinerate!

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

Federal Regulations Prohibit CFC Propellants in Aerosols.
