Subject: Label Amendment - Registration Review Mitigation for Cyphenothrin
Product Name: MGK F-2925(C)
EPA Registration Number: 1021-1874
Application Dates: November 4, 2020
Case Number: 478846

Dear Thomas A. Lennan:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Cyphenothrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for

shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Lauren Weissenborn by email at weissenborn.lauren@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Cathryn Britton". The signature is fluid and cursive, with the first name "Cathryn" and last name "Britton" clearly distinguishable.

ENCLOSURE: Stamped label

MGK® F-2925(C)

[This label will be available in Spanish]

[] Indicates alternate or optional wording.

One unit treats a room of 3,000 cubic feet (19' x 20' x 8') [375 square feet]

One unit will treat a room up to 19 feet by 20 feet with an 8 foot ceiling

Kills: Bed Bugs, Roaches (Palmetto bugs and Water bugs), adult fleas, ticks, mosquitoes, flies, ants and spiders

For Indoor Use Only.

- For household use [For use in homes and apartments.]
- For use in kitchens, living areas, bedrooms, garages, attics, basements, and pet living areas
- Convenient-easy to use
- Delayed fogging allows time to leave room
- No oily residue on surfaces
- No stains
- Kills Listed Crawling and Flying Insects, including bed bugs
- Kills even the toughest bugs like bed bugs and cockroaches
- Deep Reaching [Penetrating] dry smoke/vapor
- Fumigating fog penetrates [hard to reach] areas where insects [bed bugs] [roaches, adult fleas, ticks, mosquitoes, flies, ants, spiders, and bed bugs] live and hide
- Fumigating fog penetrates [reaches] seams of bed frames, bedding, mattresses, box springs, linens, pillows, and behind bed headboards, bed frames, under and beneath furniture to contact [kill] exposed stages of bed bugs
- Dry smoke/vapor penetrates obstructed spaces such as upholstered furniture, drawers, bureaus, dresser drawers, kitchen cabinets
- Dry Fog Kills exposed stages of Roaches (including Palmetto bugs and Water bugs), adult fleas, ticks, mosquitoes, flies, ants, spiders, bed bugs, [listed bugs]
- Dense fog makes kill of listed insects [bed bugs] quick and easy
- Relieves infestations fast
- Part of a complete home defense system
- [Dry smoke/vapor] kills exposed stages of bugs where they hide
- Concentrated Killer
- Effective bed bug control

ACTIVE INGREDIENTS:

* (RS)-alpha-cyano-3-phenoxybenzyl (1RS)-cis/trans-chrysanthemate 7.20%

OTHER INGREDIENTS 92.80%

100.00%

*1 R isomer ratio: ≥ 95% 1R

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Product smoke is harmful if inhaled. Avoid breathing the smoke. Avoid contact with eyes. May cause sensitization following repeated contact with the skin of susceptible individuals. Cover and turn off fish aquariums. Remove plants, pets, and birds before using. Wash hands with soap and water after handling.

Do not use in food areas of food handling establishments, restaurants, etc.

PHYSICAL OR CHEMICAL HAZARDS

When metal cartridge comes in contact with water, and for 30 minutes thereafter, it will be hot. This is normal. In order to prevent skin burns, do NOT touch metal container during this time. Heat resistant cup protects contact surfaces.

MGK® F-2925(C) is a deep-penetrating fumigating fogger.

The smoke stays in the air during the 3-hour treatment, penetrating deep hard to reach areas, [including bed frames, behind bed headboards, seams of mattresses, box springs, pillows and other bedding, and going way [moves] under furniture and appliances to kill bed bugs, roaches and fleas where they hide. The penetrating fog will also move behind bed headboards, drawers around furniture, and other hidden areas where bed bugs are known to hide.

German roaches may take longer to kill than other bugs.

It is the first step for control of home pest problems such as Bed Bugs, Roaches (Palmetto bugs and Water bugs), adult fleas, ticks, mosquitoes, flies, ants and spiders.

With this new [simple to use] technology, you see the results [and not the (spray) residue].

When you return what you might expect to see:

Hidden and Exposed Bed Bugs Dead*

Hidden and Exposed Roaches and Nymphs Dead*

Adult fleas, Ticks, Mosquitoes, Flies, Ants and Spiders Dead*

*Exposed pests will exhibit suppressed emergence.

One unit treats a room of 3,000 (189' x 20' x 8') cubic feet [375 square feet.]. For best results keep treated room closed for 3 hours.

One unit will treat a room up to 19 feet by 20 feet with an 8 foot ceiling.

Kills: Bed bugs, Roaches (Palmetto bugs and Water bugs), adult fleas, ticks, mosquitoes, flies, ants and spiders.

For Guaranteed Results: Carefully Read and Follow Instructions.

For household use (or for use in homes and apartments): For use in kitchens, living areas, garages, attics, basements, and pet living areas. Relieves infestations fast.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling.

For Indoor Use Only.

To use this product correctly: Do not use multiple canisters in a room.

[Pictograms to illustrate the following are to be inserted in this location of the Directions for Use:]

[Do not use multiple canisters in a room]

Do not use in commercial food/feed handling establishments, restaurants, or other areas/sites where food/feed is commercially prepared, processed, served or stored. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use following treatment.

Do not use in small, enclosed spaces such as closets, cabinets or under counters or tables.

[Pictograms to illustrate the following are to be inserted in this location of the Directions for Use:]

[Do not use in small confined areas]

BEFORE YOU FOG: Open cupboards, cabinets, and drawers. Remove or cover all exposed food, dishes, and utensils. Remove plants, pets, and birds. Cover and turn off fish aquariums. Close windows and doors. Shut off fans, air conditioners, and temporarily disconnect smoke alarms. Exposed food should be covered or removed. [EPA PRE-APPROVED PICTOGRAM 5 representing "Remove or Cover Exposed Food"]

TO START FOGGING: DO NOT OPEN UNTIL READY TO USE. TAKE OFF THE PLASTIC LID OF THE CONTAINER. The paper lid can be thrown away. Take the fumigator out of the plastic cup and tear off the aluminum packaging. Fill out and place hang tag on the door to the treated area to alert family and others with access to the treated area not to enter for 3 hours.

Fill plastic cup with water to fill line, place canister with arrows pointing up into cup with water. DO NOT OVER FILL. DO NOT INSERT UPSIDE DOWN.

Place it on the floor in the center of the room. The water will slowly activate the fumigator allowing time for you to leave the room.

VACATE THE TREATED HOUSE, INDIVIDUAL APARTMENT UNIT, OR OTHER STRUCTURE IMMEDIATELY.

Fumigation starts within 1-2 minutes. Leave the room and keep doors and windows closed for 3 hours. **Do not re-enter for 3 hours.**

{Insert pictogram of a clock with three hours shaded out.}

AIRING OUT: Before re-occupying area, open all doors and windows, and air for 30 minutes. Reactivate smoke alarms.

[A Pictogram to illustrate the following is to be inserted in this location of the Directions for Use:]

[Air out room before entering]

German cockroaches: This product takes longer to kill these roaches than other bugs.

STORAGE AND DISPOSAL

STORAGE:

Store unused units in their original containers in dry area inaccessible to children.

DISPOSAL:

Follow proper disposal procedures on this label. *Siga las indicaciones del etiquetado para el desecho apropiado del producto.*

Do not pour or dispose down the drain or sewer. Call your local solid waste agency for local disposal options

If empty: Non-refillable container. Do not reuse or refill this container.

Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

Do not allow to enter indoor or outdoor drains. *No permita la entrada a desagües internos o externos.*

[DOOR HANG TAG LANGUAGE:]

DO NOT ENTER UNTIL: _____ ON THIS DATE: _____
