Minneapolis, MN 55428

Subject: Label Amendment - Registration Review Mitigation for Phenothrin
Product Name: MULTICIDE SPRAY 29511
EPA Registration Number: 1021-2569
Case Number: 479539
Application Date: January 28, 2021

Dear Thomas Lennan:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Phenothrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for

shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Garland Waleko by phone at 513-569-7983, or via email at waleko.garland@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Dana L. Friedman". The signature is written in a cursive style with a large initial "D".

Dana L. Friedman, Chief
Risk Management and Implementation Branch 1
Pesticide Re-Evaluation Division
Office of Pesticide Programs
U.S. Environmental Protection Agency

MULTICIDE® Spray 29511

[Alternate Brand Name: Bedlam Plus®]

[] or () indicates optional wording

[Kills Dust Mites]
[Kills Brown Dog Ticks & Fleas]
[Kills Bed Bugs, fleas, dust mites & brown dog ticks]
[Kills Bed bugs and their eggs]
[(Controls) (Kills) Bed bugs on carpet for up to 3 Weeks]
[(Controls) (Kills) (Protects) (Lasts) (Works) (Effective) [Against] Bed bugs on Laminated Wood surfaces for up to [2 Months] [8 weeks]
[(Controls) (Kills) (Protects) (Lasts) (Works) (Effective) [Against] Bed bugs on Ceramic (non-porous) Surfaces for up to [4 months] [16 weeks]
[(Controls) (Kills) Bed bugs on surfaces for up to 8 weeks*
*on finished wood surfaces]
[(Controls) (Kills) Bed bugs for up to 16 weeks*
*On (Ceramic) non-porous surfaces]
[Keeps killing for up to [2 months] [8 weeks] on laminated wood surfaces]
[Keeps on Killing Bed Bugs for up to [4 weeks] [16 weeks] on ceramic (non-porous) surfaces]
[Keep on killing for up to 3 weeks on carpeted surfaces]
[Kill Fast and keeps killing Adult bed bugs for up to [2 Months] [8 Weeks] on Laminated Wood Surfaces]
[Kills Fast and Keeps Killing Bed Bugs for up to [4 Months] [16 Weeks] on Ceramic (non-porous) Surfaces]
[Long lasting Bed Bug Control]
[Kills Bed bugs & Dust Mites where they hide]
[Kills Clothes Moths and Carpet Beetles]
[Kills (Also Kills) Ants*, Spiders*, and Stink Bugs]
*Excludes fire ants, pharaoh ants, harvester ants, brown recluse spiders, and black widow spiders
[Will Not Stain (Non-staining on) - Water-Safe Fabrics and Surfaces]
[For use on mattresses, wood furniture & carpet!]
[Kills Pyrethroid Resistant Bed Bugs]
[Effective on Pyrethroid Resistant Bed Bugs]
[Kills Pyrethroid Resistant Bed Bugs and their Eggs]
[Easy to Use Aerosol]
[Ready to Use]

[Convenient Ready to Use]
[Includes Crack and Crevice Applicator]
[Dual Modes of Action]
[Two Modes of Action]
[Dual-Action]
[Combines Contact and Systemic Control]
[Dual Action Control]
[Fast Knockdown and Control]
[Quick Knockdown]
[Fact Acting]
[Unscented]
[Effective Control of Listed Pests]
[Kills Dust Mites by Contact]
[Reduces bed bug egg hatch in both susceptible and some resistant strains of bed bug eggs]
[Kills bed bug eggs] [before they hatch]
[Kills Pyrethroid Resistant Bed Bug Eggs]
[Kills Bed Bug Populations]
[Kills hidden bed bugs]
[Kills Resistant Strain Bed Bugs]
[Kills Resistant Strain Bed Bug Eggs]
[Controls [Kills] Bed Bugs resistant to Pyrethroid Insecticides]
[Contains Non-Pyrethroid Killing Agent]
[Synergized Formula]
[Proprietary Formula]
[Kills hard to see Bed Bug Eggs]
[Kills difficult to find Bed Bug Eggs]
[Kills Bed Bugs where they hide]
[For use on Mattresses] [Luggage] [Furniture] [Headboards] [Beds]
[Kills Emerging Bed Bug Nymphs]
[No Ozone Depleting Propellants]
[Water-based Formula]
[Includes crack and crevice applicator]

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

USER SAFETY RECOMMENDATIONS

Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not apply this product around electrical equipment due to the possibility of shock hazard.

Kills: Bed Bugs, Fleas, Brown Dog Ticks, Ants (excluding fire, pharaoh, and harvester ants), Spiders (excl. brown recluse and black widow), Stink Bugs, Boxelder Bugs, Clothes Moths, Dust Mites, Crickets, Earwigs, Millipedes, Moths, Multicolored Asian Lady Beetles, Silverfish.

For indoor use in non-food areas of Residential, Commercial, Government, and Military sites such as homes, apartments, hotels, motels, dormitories, barracks, hospitals, shelters, offices, airports, theaters, nursing homes, sports and entertainment facilities, retail stores, schools, restaurants, and the interior of transportation equipment including cars, vans, buses, trucks, military equipment, trains, ships and airplane cargo holds.

Not For Use on Humans or Animals.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling.

[STOP; READ ENTIRE LABEL BEFORE USE]

For indoor use only.

USE RESTRICTIONS

This product is not for use on humans or animals.

In hospitals and nursing homes, remove patients from immediate area to be treated. Allow surfaces to dry before reoccupying.

Do not use in commercial food/feed processing, preparation, food/feed storage or serving areas.

In the home, all food/feed processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food/feed should be covered or removed.

Remove pets, birds and cover fish aquariums before spraying.

Do not apply to furniture or upholstery where prolonged contact with humans will occur.

Do not apply to bed linens or other materials that come in direct contact with occupants of the bed.

Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos.

{Note to reviewer: Pictogram must be no smaller than 1.5 cm² or 0.25 sq. in. unless size is greater than 10% of label size}

SHAKE WELL BEFORE EACH USE.

APPLICATION: Use as an indoor spot spray or crack and crevice treatment. Spray in an inconspicuous area to test for possible staining. Evaluate test area after drying. [Rotate (actuator) nozzle to align with the red dot on the lip of the aerosol can.] Hold container upright with nozzle aimed away from you. Depress valve and spray from a distance of 8 to 10 inches. Spray each square foot until damp. Use the straw applicator for crack and crevice treatment. Allow sprayed articles and surfaces to dry thoroughly before using. Do not allow children or pets to contact treated areas until surfaces are dry.

TO KILL CRAWLING INSECTS: Apply as a spot or crack and crevice treatment where insects are harboring, traveling, or breeding. Treat interior entry points such as around windows, doors, and water pipes. Also treat feeding or hiding areas such as baseboards, carpet, floor, rugs, under refrigerators, cabinets, sinks, and stoves.

TO KILL BED BUGS AND BED BUG EGGS: For infested mattresses, remove linens and wash before reuse. Apply to tufts, folds, edges, sides and seams until damp. Allow to dry before reuse. Apply on and around baseboards, carpet, rugs, bed frames, box springs, headboards, wheelchairs, closets, wall hangings, furniture, seats, moldings, picture frames, ceiling, drapes, luggage, and walls. Spray bed bugs and eggs directly whenever possible. Use attached straw applicator for crack and crevice treatments.

TO KILL BROWN DOG TICKS AND FLEAS: Spray on and around beds, furniture and pet's habitat. Spray pet sleeping quarters, bedding, carpeting, floor and floor covering where pets are kept. Use only a recommended pet spray on pets.

TO KILL DUST MITES: Thoroughly vacuum entire room concentrating on areas where mites congregate such as mattresses, box springs, headboards, walls, floors, carpeting, and baseboards. Spray surfaces until damp. Allow to dry before reuse.

TO KILL CLOTHES MOTHS AND CARPET BEETLES: Apply as a spot treatment to cracks and crevices on and around baseboards, floorboards, furniture and around the edges of carpet. Apply to carpet, rugs, closets, baseboards, furniture, on floor and floor coverings. When treating carpets, floor coverings or rugs, spray a sufficient amount to get the spray down into the base where the larval stages are feeding. Spray upper and lower surfaces of rugs or floor covering when possible.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Follow proper disposal procedures on this label. Siga las indicaciones del etiquetado para el desecho apropiado del producto.

PESTICIDE STORAGE

Store in a cool dry area. Always store pesticides in the original container. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING

Do not puncture or incinerate!

Non-refillable container. Do not reuse or refill this container.

If empty:

Place in trash or offer for recycling if available.

If partly filled:

Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for disposal instructions.

Federal regulations prohibit
CFC propellants in aerosols
