PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin, eyes or on clothing. Avoid breathing vapors. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is highly toxic to aquatic organisms, including fish and invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA. Do not contaminate water when disposing of equipment wash waters.

PHYSICAL OR CHEMICAL HAZARDS

Flammable Keep away from heat and open flame. Contact with strong oxidizers may cause fire and explosions.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Only for formulation into an insecticide for the following uses: Terrestrial Food, Terrestrial Nonfood, Domestic Farm Animals, Agricultural Premises, Companion Animals, General Outdoor Insect Control, General Indoor Insect Control, and Human Articles and Materials.

Not for formulation into wettable powder end use products (EUP), unless the EUP is packaged in water-soluble bags.

Not for formulation into granular end use products.

This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user, group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

This product is to be refined and/or further processed or purified only. The manufacturing concentrate products that are made from this product, once it is refined or processed, will then be used to prepare products to be used in terrestrial food and non-food, greenhouse food and non-food, forestry, domestic outdoor and indoor use patterns. These are uses for which the USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of their registration and uses for experimental purposes that are in compliance with the USEPA requirements.

Mix contents of drum well before sampling or use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or animal feed by storage or disposal of this product.

PESTICIDE STORAGE Store in a cool, dry place. Keep container tightly closed.

PESTICIDE DISPOSAL Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA regional office for guidance.

CONTAINER HANDLING Non-refillable container. Do not reuse or refill container. Triple rinse (or equivalent) promptly after emptying and offer drum for recycling, if available, or reconditioning, if available, or puncture and dispose of in a sanitary landfill, or by other approved State and Local procedures.
