

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Avenue, N.W.
Washington, D.C. 20460

EPA Reg. Number: 1021-2591
Date of Issuance: NOV - 9 2012

Term of Issuance: Unconditional

Name of Pesticide Product: MGK® 28512

NOTICE OF PESTICIDE:

- X Registration
Reregistration

(under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

Name and Address of Registrant (include ZIP Code):
McLaughlin Gormley King Company
8810 Tenth Avenue North
Minneapolis, MN 55427-4372

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This action is taken under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Registration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Terms of Registration

- 1. EPA has registered the product listed above provided that the following change is made to the label before you release the product for shipment:
a. Revise the EPA Registration Number to read "EPA Registration Number 1021-2591".

Signature of Approving Official:

Refer to page #3.

Richard Gebken, Product Manager (10)

Date

NOV - 9 2012

EPA Registration No. 1021-2591

b. Replace the Hazards to Humans and Domestic Animals section with "Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Avoid contact with skin, eyes or clothing. Wear long- sleeved shirt and long pants, socks, shoes, and gloves. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals."

c. Replace the If Swallowed section with:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

d. Delete all ticks and any claims related to Lyme disease and other tick- borne disease from the label.

e. Delete house flies from the label.

f. Delete residual claims from the label.

g. Delete the reapplication interval from the label.

h. The units of the flash point stated on the CSF (F°) should be consistent with the flash point units (C°).

2. You must generate a one year storage stability and corrosion characteristics study corresponding to guideline 830.6317 on the proposed product. It is required that the observations be made at 0, 3, 6, 9, and 12 month intervals. The results must be submitted to the Agency in electronic and hard copy format.

You must submit and/or cite all data required for registration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data, and submit acceptable responses required for registration review of your product under FIFRA.

Two copies of the finished labeling must be submitted prior to releasing the product for shipment. If you fail to comply with all of the **Terms of Registration** stated above, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e) and/or automatically expire. Your release for shipment of the product constitutes your acceptance of these conditions.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid contact with skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to or near water. Do not contaminate water when disposing of equipment, washwater, or rinsate. See Directions for Use for additional requirements.

PHYSICAL OR CHEMICAL HAZARDS

Do not apply this product around electrical equipment due to the possibility of shock hazard.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL PRECAUTIONS AND RESTRICTIONS

Not for use on horses intended for human consumption.

Do not water the treated area to the point of run-off.

Do not make applications during rain.

Do not apply directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Do not apply to pets. Remove birds and other pets before application. Cover any water inhabited by fish (such as aquariums and ornamental fish ponds) during treatment, and turn aquarium systems off.

SHAKE WELL BEFORE USE.

To protect horses, foals, and ponies from Mosquitoes, Stable Flies, House Flies, and Deer Ticks that may transmit Lyme Disease.

PREPARATION:

Thoroughly brush the horse's coat prior to application to remove loose dirt and debris. For dirty horses, and as a preparation for show grooming, clean the coat with a good cleansing shampoo. Wait until the coat is completely dry before applying.

For initial treatment, liberally apply [this spray] for best results. Reapply every 5 to 7 days under normal conditions for initial applications. As infestation subsides and protection builds, repeat treatment every 10 to 14 days or as prescribed by a veterinarian. Reapply every time animal is washed or exposed to heavy rain.

Wipe-On:

For horse's face, always apply as a wipe. Apply liberally with a piece of clean, absorbent cloth, toweling (Turkish) or sponge.

Ready-to-Use Spray:

Cover entire surface of animal with spray. Avoid getting spray into horse's eyes, nose or mouth. Do not apply over cuts, wounds or irritated skin. Direct the spray to the legs, shoulders, and neck where pests appear or tend to congregate. Apply directly onto attached ticks. Brush coat against the grain while spraying to insure adequate penetration of the product.

Make sure spray has dried before covering with any tack.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, or nursing animals.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE:

Store in a cool, dry place, preferably a locked storage area. Store above freezing. Store with container tightly closed. Store away from food and pet food. Avoid contamination of food, feed, and domestic water supplies.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Nonrefillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
