SUMITOMO BIORATIONAL COMPANY, LLC, D/B/A MGK

Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Minor label revisions
Product Name: CYPER-ACTIVE E2 WB TRA
Admin Number: 1021-2763
EPA Receipt Date: 09/11/2026
Action Case Number: 00726999

Dear Chantha Coursolle:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Rebecca Lasko via email at lasko.rebecca@epa.gov.

Sincerely,

Rebecca Lasko for

Jacquelyn Herrick, Branch Chief
IVB1, RD
Office of Pesticide Programs

[The entire label is printed in Spanish language inside the box][,] [on insert] [or] [peel out booklet].]

Manufactured by:

7325 Aspen Lane North
Minneapolis, MN 55428

EPA Reg. No: 1021-2763

EPA Est. No: 1021-MN-2

Net Wt. 1.5 oz. to 6.0 oz. (xx g) Each

Total Net Wt. xx oz. (xx g)

DIRECTIONS FOR USE
It is a violation of Federal law to use this product
in a manner inconsistent with its labeling.

For indoor use only

Use Restrictions:

- Do not use in greenhouses where plants are grown for food.
- Wait two (2) hours after application, then open windows, vents and doors for two hours. If an odor is still detected, additional ventilation is required.
- Do not allow adults, children, or pets to enter the treated area until vapors, mists, and aerosols have dispersed, and the treated area has been thoroughly ventilated.
- Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.
- Do not apply this product in a way that will contact any person, pet, either directly or through drift. Keep people and pets out of the area during application.
- Remove birds and other pets before application. Cover any water inhabited by fish (such as aquariums and ornamental fish ponds) during treatment and turn aquarium systems off.
- *Alternate text: [Application on boats: Use inside boats is permitted. Do not allow product to drift, drain, or wash off into water.]*
- Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos.

{Note to reviewer: Pictogram must be no smaller than 1.5 cm² or 0.25 sq. in. unless size is greater than 10% of label size}

{Optional use restrictions; information also in directions for use}

- Do not use multiple canisters in a room.
- Do not use in small confined areas
- Turn off ignition sources.
- Remove or cover exposed food.
- Air out the room before entering.
- Do not remain in treated area.
- Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.
- Vacate the treated house, individual apartment unit or other structure immediately. Do not re-enter for 2 hours.
- Do not apply this product in any room being used as a living, eating, or recover area by patients, the elderly, or the infirm, when they are in the room.

FOR HOUSEHOLD USE ONLY

{The following statements can be modified for larger size cans as long as the use rate remains 1 ounce per 1,600 cu. ft.} {To calculate cubic feet, multiply height x width x length.}

(One 2 oz. can will treat an area up to 3,200 cu. ft. (20' x 20' with an 8' ceiling)

(One 1.5 oz. can will treat an area up to 2,400 cu. ft. (15' x 20' with an 8' ceiling)

{Note to Reviewer – The printed label will include the 2 listed bullet points below or the Products Facts Box}

[Kills ants (except fire, carpenter & Pharaoh ants) [Argentine ants, harvester ants], roaches, fleas, house flies, mosquitoes, spiders (except brown recluse) [black widow spiders], brown dog ticks, silverfish, firebrats]

[Use In: Apartments, Homes, Attics, Basements, Garages, Household Storage Areas]

[PRODUCT FACTS: Double [Dual] Action: Kills insects and leaves a fresh scent. Insects: Kills ants (except fire, carpenter, harvester & Pharaoh ants) [Argentine ants, harvester ants], roaches, fleas, house flies, mosquitoes, spiders (except brown recluse) [black widow spiders], brown dog ticks, silverfish, firebrats. Where to Use: Apartments, homes, attics, basements, garages, household storage areas.]
--

Does not control bed bugs.

HOW TO USE THIS PRODUCT CORRECTLY:

DO NOT use multiple canisters in a room.

{graphic size 2.25 cm x 3.5 cm minimum}

DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. Use of a fogger in an enclosed space may cause the product to explode, resulting in injury to people or damage to property. DO NOT use in a room 5 ft. x 5 ft. or smaller; instead allow fog to enter from other rooms.

{graphic size 2.25 cm x 3.5 cm minimum}

Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle on and off (i.e., refrigerators, thermostats, etc.) Call your gas utility or management company if you need assistance.

{graphic size 2.25 cm x 4 cm minimum}

[Step 1:] BEFORE YOU FOG:

OPEN cabinets, cupboards, drawers, closets and doors in area to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. Cover waxed wood floors, waxed furniture and other plastic surfaces near the fogger (newspaper may be used). CLOSE outside doors and windows. SHUT OFF fans and air conditioners.

{graphic size 2.25 cm x 3.5 cm minimum}

[Step 2:] TO START FOGGING:

Do not place on water stainable surface. Place a chair or table in the center of area to be fogged approximately 2 ft. above the floor. Cover with several layers of newspaper or paper towels. Tilt can opening AWAY from face and depress tab firmly with thumb until it clicks in locked position. Set fogger on newspaper. Immediately leave the area.

[Step 3:] AIRING OUT:

Vacate the treated house, individual apartment unit, or other structure immediately. Do not remain in the area during treatment. Keep treated area closed for 2 hours. Do not re-enter for 2 hours. Before reoccupying the area, open all doors and windows and allow to air for 2 hours.

{graphic size 2.25 cm x 3.5 cm minimum}

{clock graphic optional}

STORAGE AND DISPOSAL

Follow proper disposal procedures on this label. Siga las indicaciones del etiquetado para el desecho apropiado del producto.

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place away from heat or open flame, preferably in a locked storage area.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do Not Puncture or Incinerate! **If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

Caution: Harmful if swallowed. Causes moderate eye irritation. Breathing spray mist may be harmful. Avoid contact with eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID	
IF IN EYES:	- Hold eye open and rinse slowly and gently with water for 15-20 minutes. - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. - Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	- Immediately call a poison control center or doctor. - Do not induce vomiting unless told to do so by a poison control center or doctor. - Do not give any liquid to the person. - Do not give anything by mouth to an unconscious person.
NOTE TO PHYSICIAN	
May pose an aspiration hazard. Contains petroleum distillate.	
HOTLINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor. You may also contact 1-888-740-8712 for emergency medical treatment information.	

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label carefully.

Highly Flammable Ingredient (FLAMMABILITY ICON)
Ingrediente Altamente Inflamable
