McLaughlin Gormley King Company D/B/A MGK
7325 Aspen Lane N
Minneapolis, MN 55428

Subject: Label Amendment - Registration Review Mitigation for Cypermethrin
Product Name: Cyper-Active AS2 TRA
EPA Registration Number: 1021-2764
Case Number: 473045
Application Dates: 8/9/2021

Dear Thomas A. Lennan:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Cypermethrin Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for

shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Tiffany Green by phone at 919-541-2446, or via email at green.tiffany@epa.gov.

Sincerely,

A handwritten signature in dark ink, appearing to read "Kevin Costello". The signature is written in a cursive, flowing style.

Kevin Costello, Branch Chief
Risk Management and Implementation Branch 2
Pesticide Re-Evaluation Division
Office of Pesticide Programs

Net Wt. xx oz. (xx g) Each – Total Net Wt. X oz. (X g)

ACCEPTED

Nov 03, 2025

Under the Federal Insecticide, Fungicide
and Rodenticide Act as amended, for the
pesticide registered under

EPA Reg. No. 1021-2764

This product is unique because its triple action kills insects by contact, temporarily reduces odor-causing bacteria, and leaves the room smelling clean and fresh. And with its dry concentrated formula, there's also no need to worry about staining or discoloring your [fine] furniture.

When fogging to kill insects, this product simultaneously sanitizes the air. This product contains an active ingredient, which temporarily reduces the number of airborne bacteria which causes odors. This product leaves no lasting odor after airing out a room. Because of the dual nature of this product (i.e. killing insects and temporarily reducing airborne bacteria) be sure to follow the label directions explicitly. Do not use solely as an air freshener or sanitizer. For Insecticide Use Only.

{Note to Reviewer - The printed label will include the 3 listed bullet points below or the Product Facts Box}

[Kills insects, sanitizes the air, and leaves a fresh scent]

[Kills ants (except fire, carpenter & Pharaoh ants) [Argentine ants, harvester ants], roaches, fleas, house flies, mosquitoes, spiders (except brown recluse), [black widow spiders], brown dog ticks, silverfish, firebrats]

[Use In: Apartments, Homes, Attics, Basements, Garages, Household Storage Areas]

[PRODUCT FACTS:

Triple action: Kills insects, sanitizes the air, and leaves a fresh scent.

Insects: Kills ants (except fire, carpenter & Pharaoh ants), [Argentine ants, harvester ants], roaches, fleas, house flies, mosquitoes, spiders (except brown recluse), [black widow spiders], brown dog ticks, silverfish, firebrats.

Where to Use: Apartments, homes, attics, basements, garages, household storage areas.]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling.

Use Restrictions:

- Do not use in greenhouses where plants are grown for food.
- Wait two (2) hours after application, then open windows, vents and doors for two hours. If an odor is still detected additional ventilation is required.
- Do not allow adults, children, or pets to enter the treated area until vapors, mists, and aerosols have dispersed, and the treated area has been thoroughly ventilated.
- Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.
- Do not apply this product in a way that will contact any person, pet, either directly or through drift.
- Keep people and pets out of the area during application.
- Remove birds and other pets before application. Cover any water inhabited by fish (such as aquariums and ornamental fish ponds) during treatment and turn aquariums systems off.
- Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos.

{Note to reviewer: Pictogram must be no smaller than 1.5 cm² or 0.25 sq. in. unless size is greater than 10% of label size}

- **Alternate Text:** [Application on boats: Use inside boats is permitted. Do not allow product to drift, drain, or wash off into water.]

{Optional Use Restrictions; Information also in Directions for Use}

- [Do not use multiple canisters in a room.]
- [Do not use in small confined areas.]
- [Turn off ignition sources.]
- [Remove or cover exposed food.]
- [Air out the room before entering.]
- [Do not remain in treated area.]
- [Vacate the treated house, individual apartment unit or other structure immediately. Do not re-enter for 2 hours.]
- [Do not apply this product in any room being used as a living, eating, or recover area by patients, the elderly, or the infirm, when they are in the room.]
- [Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.]

FOR HOUSEHOLD USE ONLY

Does not control bed bugs.

[Note to Reviewer – the following text will be dependent upon packaging size. See optional bullets at end of label]

{The following statements can be modified for larger size cans as long as the use rate remains 1 ounce per 1,600 cu. ft.}

{To calculate cubic feet, multiply height x width x length.}

One 1.5 oz. can will treat an area up to 2,400 cu. ft. (15' x 20' with an 8' ceiling)

One 2 oz. can will treat an area up to 3,200 cu. ft. (20' x 20' with an 8' ceiling)

HOW TO USE THIS PRODUCT CORRECTLY:

DO NOT use multiple canisters in a room.

{graphic size 2.25 cm x 3.5 cm minimum}

DO NOT use in small, enclosed spaces such as closets, cabinets or under counters or tables. Use of a fogger in an enclosed space may cause the product to explode, resulting in injury to people or damage to property. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms.

{graphic size 2.25 cm x 3.5 cm minimum}

Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or Management Company if you need assistance.

{graphic size 2.25 cm x 4 cm minimum}

{graphic size 2.25 cm x 3.5 cm minimum}

[Step 1:] BEFORE YOU FOG:

OPEN cabinets, cupboards, drawers, closets and doors in area to be treated. REMOVE or cover exposed foods, dishes, utensils, food processing equipment and surfaces. Cover waxed wood floors, waxed furniture and other plastic surfaces near the fogger (newspaper may be used). CLOSE outside doors and windows. SHUT OFF fans and air conditioners.

{graphic size 2.25 cm x 3.5 cm minimum}

[Step 2:] TO START FOGGING:

Do not place on water stainable surface. Place a chair or table in the center of area to be fogged approximately 2 ft. above the floor. Cover with several layers of newspaper or paper towels. Tilt can opening AWAY from face and depress tab firmly with thumb until it clicks in locked position. Set fogger on newspaper. Immediately leave the area.

[Step 3:] AIRING OUT:

Vacate the treated house, individual apartment unit, or other structure immediately. Do not remain in the area during treatment. Keep treated area closed for 2 hours. Do not re-enter for 2 hours. Before reoccupying the area, open all doors and windows and allow treated area to air for 2 hours. [Fill out and place hang-tag on the door to the treated area to alert family and others with access to the treated area not to enter for 2 hours.]

{graphic size 2.25 cm x 3.5 cm minimum}

{clock graphic optional}

STORAGE AND DISPOSAL

Follow proper disposal procedures on this label. Siga las indicaciones del etiquetado para el desecho apropiado del producto.

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place away from heat or open flame, preferably in a locked storage area.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do Not Puncture or Incinerate! If Empty: Place in trash or offer for recycling if available. If Partly Filled: Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

Caution: Harmful if swallowed. Causes moderate eye irritation. Breathing spray mist may be harmful. Avoid contact with eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.• Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none">• Immediately call a poison control center or doctor.• Do not induce vomiting unless told to do so by a poison control center or doctor.• Do not give any liquid to the person.• Do not give anything by mouth to an unconscious person.
HOTLINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor. You may also contact 1-888-740-8712 for emergency medical treatment information.	

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label carefully.

Highly Flammable Ingredient
Ingrediente Altamente Inflamable

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of MGK. All such risks shall be assumed by the user or buyer.
