

U.S. ENVIRONMENTAL PROTECTION AGENCY  
 Office of Pesticide Programs  
 Registration Division (7505P)  
 1200 Pennsylvania Ave., N.W.  
 Washington, D.C. 20460

EPA Reg. Number:

1021-2820

Date of Issuance:

2/15/18

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
 (under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

MGK FORMULA 28662

Name and Address of Registrant (include ZIP Code):

Steven K. Ditto  
 McLaughlin Gormley King Company D/B/A MGK  
 8810 10<sup>th</sup> Ave N.  
 Minneapolis, MN 55427

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A). You must comply with the following conditions:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product under FIFRA when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Kable Bo Davis, Product Manager 3  
 Invertebrates & Vertebrates Branch I  
 Registration Division (7505P)

Date:

2/15/18

2. You are required to comply with the data requirements described in the DCIs identified below:
  - a. Tetramethrin GDCI-069003-1110
  - b. Tetramethrin GDCI-069003-1150
  - c. Cypermethrin GDCI-109702-1107
  - d. Cypermethrin GDCI-109702-1208

You must comply with all of the data requirements within the established deadlines. If you have questions about the Generic DCIs listed above, you may contact the Chemical Review Manager in the Pesticide Reevaluation Division:

<http://iaspub.epa.gov/apex/pesticides/f?p=chemicalsearch:1>

3. Make the following label changes before you release the product for shipment:
  - Revise the EPA Registration Number to read, “EPA Reg. No. 1021-2820.”
4. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you fail to satisfy these data requirements, EPA will consider appropriate regulatory action including, among other things, cancellation under FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 11/02/2017
- Alternate CSF A dated 11/02/2017
- Alternate CSF B dated 11/02/2017

If you have any questions, please contact Maggie Rudick by phone at 703-347-0257, or via email at [rudick.maggie@epa.gov](mailto:rudick.maggie@epa.gov).

Federal regulations prohibit CFC propellants in aerosols

PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

## CAUTION

Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

### ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not contaminate water when disposing of aerosol unit, washwaters or rinsate. See Directions for Use for additional precautions and requirement. Do not apply directly to water.

### PHYSICAL OR CHEMICAL HAZARDS

**Contents under pressure.** Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE.

USE RESTRICTIONS:

#### **For Indoor Residential Use Only**

Do not use as a space spray. Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.

Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.

Do not use water based sprays in conduits, motor housing, junction boxes, switch boxes, or other electrical equipment.

During any indoor surface application, do not allow dripping or runoff to occur. During any application to ceilings of a structure, cover surface below with plastic shielding or other material.

Do not apply this product in any room being used as a living, eating, or recovery area by the elderly or the infirm when they are in the room.

Do not exceed maximum application rate of 16 seconds of spraying per each sq. ft. of surface.

Remove pets and birds and cover fish aquariums before spraying.

Do not apply to humans, pets, plants, or contact food, dishes or utensils.

Do not allow children or pets to contact treated surfaces until spray [foam] has dried.

#### APPLICATION INSTRUCTIONS:

For use in areas such as:

Apartments, Atriums, Attics, Basements, Bathrooms, Bedrooms, Bookcases, Carpets, Chests, Closed Porches, Closets, Clothes Storage, Dens, Dog Houses, Draperies, Furniture, Garages, Garbage Cans, Gazebos, Homes, Household, Kitchens, Lanais, Living Rooms, Pantries, Pet Bedding, Pet Sleeping Areas, Pet Carriers, Play Houses, Play Rooms, Porches Rooms, Rugs, Solariums, Storage Areas, Sun Porches, Sun Rooms, Utility Rooms and Verandas.

Kills the following insects [on contact]:

Ants, Argentine Ants, Asian Lady Bird Beetles, Brown Dog Ticks, Black Carpenter Ants, Carpet Beetle, Cockroaches [adults (nymphs)], Crickets, Fleas, Foraging Ants [Fire Ants], German Cockroaches, Palmetto Bugs, Pharaoh Ants, Red Harvester Ants, Scorpions, Silverfish, Sowbugs, Waterbugs [adults (nymphs)].

For residual control of German cockroaches spray non-porous surfaces until coated along baseboards, under sinks, refrigerator, stove, dishwasher, or other places where cockroaches may hide.

**[FOR] CRACK[S] AND CREVICE[S] [SPRAY]:** Apply spray [foam] in small amounts directly into cracks and crevices. Pay special attention to areas such as behind baseboards, connection areas around drains and pipes, behind and beneath sinks, stoves, and plumbing, and other visible cracks and crevices. Spray these areas thoroughly; making certain that spray [foam] penetrates well.

**[FOR DIRECT] CONTACT APPLICATION:** [Hold container upright with nozzle aimed away from you.] Spray [Apply] [foam] at the rate of one linear foot per second. Contact as many insects as possible with this spray, in addition to thoroughly spraying of all parts of the room suspected of harboring these pests. Pay special attention to hiding places such as beneath sinks, behind and beneath stoves and refrigerators, around garbage cans and cabinets, along the outside of baseboards, door sills, frames and floors, around and on drains, pipes and plumbing, behind bookcases, storage, and other utility installation areas, contacting insects with spray when possible.

**[For] [To kill] Carpet Beetles [Dermestids (Trogoderma)]:** Directly spray as many insects as possible. Where possible, bottom of rugs and carpets should be sprayed thoroughly. Also treat shelves, closets, areas under furniture, on floors and walls, around windowsills and baseboards, and wherever these insects are seen or suspected. Backing of carpets and rugs should be allowed to dry before re-laying on floor.

[[For] [To kill]] Foraging Ants, Southern Fire Ants and Foraging Carpenter Ants: To kill foraging Ants, including Southern Fire Ants and Black Carpenter Ants spray insects directly and on ant trails.

FOR SPOT TREATMENT:

[For] [To kill] Brown Dog Ticks and Fleas: Thoroughly spray, as a spot treatment, infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames, and localized areas of floor and floor coverings where these pests may be present. Do not exceed 16 seconds of spraying per each square foot. Pet's old bedding should be removed and replaced with clean, fresh bedding after treatment. DO NOT SPRAY PETS WITH THIS PRODUCT. Pets should be treated with a registered flea and tick control product prior to reentering treated areas. Also, treat your yard with a product registered for yard application.

[For] [To kill] Spiders (including Black Widow Spiders), Carpet Beetles, Cockroaches, Palmetto Bugs, Asian Lady Bird Beetles, Crickets, Scorpions, Silverfish and Sowbugs: Spray areas where these insects are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators, and cabinets; and around garbage cans, plumbing, and other utility installations. Pests driven out of hiding places should be sprayed directly.

## STORAGE AND DISPOSAL

PESTICIDE STORAGE:

Store in a cool, dry area. Keep container closed. Always store pesticides in the original container. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Do not puncture or incinerate! Non-refillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

Available at [store name here]

100% Satisfaction Guaranteed or your money back

[Please recycle empty can]
