TIMPREG

POL-NU TYPE

PRESERVATIVE GREASE

U.S. PATENT NO. 3,049,471

WITH CREOSOTE ADDED

GROUNDLINE TREATMENT

FOR CONTROL OF FUNGAL DECAY AND
ATTACK BY SUBTERRANEAN TERMITES
FOR STANDING UTILITY POLES AND POSTS

INGREDIENTS

ACTIVE INGREDIENTS

Pentachlorophenol	6.00%
Other Chlorinated Phenols	1.03%
Creosote	15.00%
Sodium Fluoride	15.00%
INERT INGREDIENTS	60.11%
TOTAL	100.00%

CONTAINS PETROLEUM DISTILLATES

Chapman Chemical Company has complied with all terms and conditions of the registration governing the composition of this product as approved by the United States Environmental Protection Agency under Section 3 of the Federal Insecticide, Fungicide and Rodenticide Act.

KEEP OUT OF REACH OF CHILDREN **DANGER**

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.
IF IN EYES: Flush with plenty of water. Call a physician.
IF ON SKIN: Wash with plenty of soap and water. Get medical attention.
IF INHALED: Remove victim to fresh air. Get medical attention.
NOTE TO PHYSICIAN: This product is a metabolic stimulant. Treatment is supportive. Forced diuresis may be effective to reduce total body burden. Treat hyperthermia with physical measures. Do not administer aspirin, phenothiazines, or atropine since they may enhance toxicity.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use of this product for any purpose other than those stated on the label including the use of this product in the manufacture and formulation of other pesticide products or in repackaging of this product is prohibited.

APPLICATION TO POLES

TIMPREG can best be applied to poles by using the CHAPMAN BANDAGE MAKER and polyethylene coated kraft paper. TIMPREG may also be applied by brush, paddle, trowel, or any mechanically driven pump. For application to deep checks in poles or timbers, fill a caulking gun with TIMPREG and apply. Any grease equipment that will handle No. 2 cup grease will work with TIMPREG.

Excavate the soil away from the poles to a depth of about 18 inches in areas of medium or heavy rainfall and 24 inches or deeper in areas of low rainfall. Wire brush the pole surface to remove adhering soil. Scrape off decay on the surface. It is also desirable to take an increment boring directed toward the center of the pole or to bore with a brace and bit. If decay is present in the center of the pole, consideration should be given to its early replacement or stubbing.

TIMPREG will penetrate wet wood. It is not necessary to leave excavated poles exposed to the weather to dry out.

Apply TIMPREG in 1/16 to 1/4 inch layer for average groundline treatment. More may be required for special conditions. (CHAPMAN BANDAGE MAKER is adjustable up to 3/8 of an inch.) Bandages may be prepared to cover groundline areas of poles in bands of 18 or 22 inches in height. TIMPREG should be applied to cover the pole surface 4 inches below the last evidence of decay and 3 inches above the groundline.

More than one bandage may be used in special cases where the pole area to be covered spans a height greater than 22 inches such as hillsides, etc. (THE CHAPMAN BANDAGE MAKER produces a 22 inch band of TIMPREG. A template furnished separately may be inserted to obtain an 18 inch band.)

WARRANTY STATEMENT AND DISCLAIMER

The performance is critical to the effectiveness of the product; however, when applied and used according to this label, TIMPREG is capable of protecting wood under the conditions described above. The performance of the treatment will be affected by the condition of the wood when treated, the species of wood, the type of decay, the kind of previous and subsequent treatments.

DANGER: READ THE LABEL THOROUGHLY BEFORE USE. COMPLY WITH ALL DIRECTIONS AND WARNINGS GIVEN AND USE COMMON SENSE IN HANDLING.

CHAPMAN MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, OTHER THAN AS SET FORTH ON THIS LABEL AND CHAPMAN DISCLAIMS ANY IMPLIED WARRANTY OR MERCHANTABILITY, NOT SPECIFICALLY SET FORTH ON THIS LABEL. CHAPMAN SHALL NOT BE RESPONSIBLE FOR ANY PERSONAL INJURY OR PROPERTY DAMAGE OR OTHER TYPE OF LOSS RESULTING FROM FAILURE TO FOLLOW THE DIRECTIONS FOR USE, WARNINGS AND PRECAUTIONARY LANGUAGE GIVEN ON THIS LABEL. CHAPMAN SHALL NOT BE RESPONSIBLE FOR DAMAGE TO PROPERTY BEYOND THE PURCHASE PRICE OF THIS PRODUCT. HOWEVER, SOME STATES DO NOT ALLOW THE INCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO YOU.
