DIRECTIONS FOR USE

WEED-FREE is selective for the control of unwanted grasses and weeds in Bermudagrass, bent and fescue lawns, golf courses, and other ornamental turf areas. Applications of WEED-FREE should be made when undesirable grasses and weeds are actively growing. For best results, WEED-FREE should be applied within 24 hours after mowing and should not be mowed or watered within 48 hours after application. Two or more applications, one week apart, may be required to kill new weeds as they germinate. Do not apply to newly seeded lawns until after three mowings.

THIS PRODUCT SHOULD NEVER BE USED ON CRYSTALINE AND CENTIPEDE GRASSES.

Add 1½ CAPSUL (1-oz.) of WEED-FREE to each GALLON of water used in conventional pump-type garden sprayers. Each gallon of this solution will treat 1000 (10 feet x 100 feet) square feet. For hose-end sprayers, use one PINT of WEED-FREE to cover 10,000 (100 feet x 100 feet) square feet. Applications of WEED-FREE should be as uniform as possible over the entire area sprayed. Small areas may be missed by the first application so it may be necessary to make spot applications later in areas missed.

WARNING

Harmful if swallowed. Avoid contact with skin. Avoid breathing spray mist. Wash hands after using. Avoid storage near food and food products. Keep children and domestic animals off treated areas until this material has been washed into the soil.

Do not contaminate water used for domestic consumption or by animals, wildlife and aquatic life or water used for irrigation purposes. Clean application equipment thoroughly after every use. Do not use this product for any purpose or in any manner not given on this label. It may result in lawlessness, damage to crops, plants and injury to nearby desirable vegetation if not given the desired results.

NON-WARRANTY

Neither Chapman Chemical Company, nor the seller, makes any representation or warranty, expressed or implied, concerning this product except that it is of the Chapman Chemical Company's standard quality. Neither shall be held responsible in any manner for any personal injury or property damage or other type of loss resulting from the handling, storage, or use of this product. The user accepts and uses this product in these conditions.
