

# WEED-FREE NC

(MSMA, 2,4-D AMINE & SURFACTANT)  
POST-EMERGENCE WEED CONTROL IN NON-CROP AREAS.

NET CONTENTS 1 Gal.

## DIRECTIONS FOR USE

### GENERAL WEED AND GRASS CONTROL FOR NON-CROP AREAS

Use WEED-FREE NC for post emergence control of weeds such as watergrass, goosegrass, cocklebur, Johnsongrass, chickweed, burr ragweed, coffeebean, elderberry, goldenrod, honeysuckle, morning glory, pigweed, wild garlic, wild onion and poison ivy. Add 1 gallon of WEED-FREE NC to 40 gallons of water. The unwanted vegetation should be thoroughly covered with spray to the point of run-off. Apply when weeds are actively growing. Any spray equipment which will give good spray coverage may be used, with power sprayers being particularly effective for such areas as rights-of-way, drainage ditch banks, fence rows, implement storage yards and similar non-crop areas.

READ THIS LABEL BEFORE USING PRODUCT

### INGREDIENT STATEMENT

Active Ingredient:	
Monosodium Acid Methanearsonate.....	19.5%
Dimethylamine Salt of 2,4-Dichlorophenoxyacetic Acid.....	6.0%
Inert Ingredients:.....	74.5%
Total .....	100.0%
Total Arsenic, all in water soluble form, expresses as elemental.....	9.21%

CONTAINS 2.0 LBS. MSMA AND 0.63 LBS 2,4-D AMINE PER GALLON.

### WARNING

**KEEP OUT OF THE REACH OF CHILDREN!**  
Harmful if swallowed. Avoid contact with skin. Avoid storage near feed and food products. KEEP AWAY FROM CHILDREN AND DOMESTIC ANIMALS.

ANTIDOTE: If taken internally, induce vomiting and CALL A PHYSICIAN AT ONCE.

Do not contaminate water used by wildlife and aquatic life or for domestic and irrigation purposes.

**DO NOT FEED ANY PART OF TREATED VEGETATION TO LIVE STOCK. DO NOT GRAZE TREATED AREAS.**

Do not apply so that spray mist may drift onto desirable or beneficial plants such as flowers, ornamentals, fruits, vegetables, grapes, cotton, alfalfa, soybeans, clover or other desirable plants since minute quantities may cause severe injury or kill during growing and dormant periods.

Application equipment used to apply WEED-FREE NC must be thoroughly cleaned after each use with a strong detergent and rinsed with 1 percent ammonia. This MUST be done because minute quantities of WEED-FREE NC may cause injury to desirable vegetation. Do not store near fertilizers, seeds, insecticides, or fungicides. Do not use in a greenhouse.

Do not reuse empty containers. Destroy in a safe place.

### NON-WARRANTY

Neither the Manufacturer nor the seller makes any representation or warranty, expressed or implied concerning this product, except that it is of the Manufacturer's standard quality. Neither shall be held responsible in any manner for any personal injury, property damage or other type of loss resulting from the improper handling, storage and use of this product. The buyer accepts and uses this product on these conditions.
