FOR NON-SELECTIVE OR INDUSTRIAL WEED CONTROL

READ THIS LABEL BEFORE USING PRODUCT

### INGREDIENT STATEMENT

|  |         |
|--|---------|
| ACTIVE                                   |         |
| 2-chloro-4,5 bis-(ethylamino)-s-triazine | 8.00%   |
| INERT                                    | 92.00%  |
|  | 100.00% |

### GENERAL INFORMATION

**WEED-FREE S8P** controls both broadleaf weeds and grasses as a pre-emergence herbicide and should be applied prior to weed emergence. It is non-corrosive, non-inflammable, has low electrical conductivity and is low in toxicity to man and animals.

**WEED-FREE S8P** acts through the roots and its effect on weeds is therefore dependent upon rainfall to move the chemical into the root zone. Excessively dry soil conditions and absence of rain may result in poor weed control.

### CAUTION

**KEEP OUT OF REACH OF CHILDREN!**  
Liquid causes eye irritation. In case of contact with eyes, immediately flush with water for at least 15 minutes and get medical attention.

Harmful if swallowed. Avoid contact with skin. Avoid storage near feed and food products. **KEEP AWAY FROM CHILDREN AND DOMESTIC ANIMALS.**

### DIRECTIONS FOR USE

**WEED-FREE S8P** should be distributed uniformly over the soil surface by means of a cyclone spreader or other suitable mechanical application. For treatment of small areas, application by hand may be adequate.

### NON-SELECTIVE OR INDUSTRIAL WEED CONTROL

Use 125 lbs. of **WEED-FREE S8P** per acre prior to, or during, weed emergence for control of species such as barnyard grass, witch grass, yellow foxtail, wild oats, crabgrass, quackgrass, broadleaf plantain, lambsquarters, pigweed, ragweed, nightshade, purslane, velvet leaf and mustard. For longer residual action and for control of more resistant perennials such as bull nettle, use 190 lbs. per acre. For best results, application should be made during the fall, winter or early spring. For spot treatments, use 3-5 lbs. of **WEED-FREE S8P** per 1,000 sq. ft.

Neither the Manufacturer nor the seller makes any representation or warranty, expressed or implied concerning this product, except that it is of the Manufacturer's standard quality. Neither shall be held responsible in any manner for any personal injury, property damage or other type of loss resulting from the improper handling, storage and use of this product. The buyer accepts and uses this product on these conditions.
