JUN 17 1985

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended for the pesticide registered under EPA Reg. No. 1022-505

INGREDIENTS

ACTIVE INGREDIENT	
Copper 8-quinolinolate	0.25%
INERT INGREDIENTS	99.75%
TOTAL	100.00%

contains 6.80 lbs. of product per gallon

PQ-20 READY-TO-USE requires no dilution before use. Use as received, following label directions.

This product is especially recommended for use on wood to be used in contact with fruits and vegetables such as field picking boxes, greenhouse flats, and grape and vegetable stakes.

Ready-to-use solution can be applied to poles, posts, and other lumber products by pressure treating, dipping, soaking, spraying or brushing. The most effective treatment is obtained with pressure treating or extended soaking where deep penetration and high absorption are obtained. With spraying or brushing, multiple flowing coats should be applied.

NOTICE

Neither Chapman Chemical Company nor the seller makes any representation or warranty, express or implied, concerning use of this material, other than indicated on the label. Neither shall be held responsible in any manner for any personal injury or property damage or other type of loss resulting from the improper handling, storage or use of this material. The buyer accepts and uses this material on these conditions.

KEEP OUT OF REACH OF CHILDREN WARNING
