

POL-NU CuRAP 20

WOOD PRESERVATIVE PASTE

EFFECTIVE GROUNDLINE TREATMENT
FOR CONTROL OF DECAY AND INSECTS

INGREDIENTS:

ACTIVE INGREDIENTS

Copper naphthenate 18.16%*

Borax
(sodium tetraborate decahydrate) 40.00%

INERT INGREDIENTS 41.84%

TOTAL 100.00%

*Equivalent to 2% metallic copper

Keep Out of Reach of Children

DANGER

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Flush eyes with water for at least 15 minutes. Get medical attention if irritation persists.

IF ON SKIN: Wash thoroughly with soap and water. Get medical attention if irritation persists.

IF SWALLOWED: Call a physician immediately. Do not induce vomiting. Give a large quantity of milk, egg white, or water. Get medical attention if available. Large quantities of water are also OK.

NOTE TO PHYSICIAN: Probable mucosal damage may result from use of gastric lavage.

See right panel for additional precautions.

EPA Reg. No. 1022-LGA

EPA Est. No. 1022-TN-1

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under 1022-536
DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its label.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store away from food or feed in a secure, well-ventilated area protected from extreme temperatures. Do not allow to freeze. Do not transfer to unmarked containers. Keep container closed when not in use.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, drift, or other materials is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide Enforcement Center, Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary land fill, or by other procedures approved by state and local authorities.

Pol-Nu CuRap 20 is intended to be used as a remedial treatment for standing wood utility poles and is a primary treatment for wooden structures susceptible to attack by decay and insecting (termites, carpenter ants, or wood boring beetles).

Pol-Nu CuRap 20 may be applied to wood 1 1/2 inch to 3 1/2 inch thick by brush or trowel or by application of Pol-Nu CuRap 20 in the CHAPMAN POL-NU BANDAGE MAKE-UP. For more information apply Pol-Nu CuRap 20 to deep holes in wood by filling holes with the make-up and apply 1/2 inch.

For utility poles and posts and other vertical structures standing in the ground, excavate the soil away from the structure to a depth of about 18 inches. Treat just the surface with the make-up and remove any damaged wood. The structure should be inspected for internal decay and insect attack by taking increment borings. If internal damage is found, early replacement or stabilizing is recommended. Plug the holes with the dust plugs or treated wood plugs.

Bandages may be prepared for utility groundline areas of structures in bands typically 18 to 22 inches in height. Pol-Nu CuRap 20 should be applied to at least cover the wood surface 4 inches below the last evidence of decay and 3 inches above the groundline. More than one bandage may be used in special cases where the structure spans a height greater than 22 inches, such as on hillsides.

Other wooden structures such as wall headers, joists, and other subfloor members, boats, bridge members, and railroad railroad tie surfaces may be treated with Pol-Nu CuRap 20. Apply by brush, trowel, caulk gun or bandage. Heavy application at points where condensation is likely to occur. The most likely to collect and where end grain is exposed or butts against concrete or other wood members is recommended.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

• **Corrosive** Causes irreversible eye damage and skin burns. May be fatal if swallowed or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after skin contact and before eating, drinking, use of tobacco products, or using restrooms.

Applicators must wear gloves impervious to the wood treatment formulation (e.g., polyvinyl chloride (PVC) or neoprene) in all situations where dermal contact is expected (e.g., during the actual application process and when handling freshly treated wood).

Applicators should wear long sleeved shirts, long pants, and an impermeable apron during the application process and all situations where dermal contact is expected. Remove contaminated clothing and wash before reuse. Launder work clothing separately from other household clothing. Dispose of worn-out work clothing and work shoes or boots in any general landfill in the trash, or in any other manner approved for pesticide disposal.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water or wetlands. Do not contaminate water when disposing of equipment washwaters.

PHYSICAL AND CHEMICAL HAZARDS

Do not use or store near heat or open flame.

WARRANTY STATEMENT AND DISCLAIMER

Proper application is critical to the effectiveness of this product; however, when applied and used according to this label, Pol-Nu CuRap 20 is capable of protecting structural wood products. The actual life of the treatment will be affected by the condition of the wood when treated, the species of wood, the type of exposure, and the previous and subsequent treatments.

DANGER. READ THE LABEL THOROUGHLY AND COMPLY WITH ALL DIRECTIONS AND WARNINGS GIVEN, AND USE COMMON SENSE IN HANDLING.

CHAPMAN MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, OTHER THAN AS SET FORTH ON THIS LABEL, AND CHAPMAN DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY NOT SPECIFICALLY SET FORTH ON THIS LABEL. CHAPMAN SHALL NOT BE RESPONSIBLE FOR ANY PERSONAL INJURY OR PROPERTY DAMAGE OR OTHER TYPE OF LOSS RESULTING FROM FAILURE TO FOLLOW DIRECTIONS FOR USE, WARNINGS AND PRECAUTIONARY LANGUAGE GIVEN ON THIS LABEL. CHAPMAN SHALL NOT BE RESPONSIBLE FOR DAMAGE TO PROPERTY BEYOND THE PURCHASE PRICE OF THIS PRODUCT; HOWEVER, SOME STATES DO NOT ALLOW THE INCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO YOU.
